Faculty Additions

Include Nine With Professional Rank

Heads of Botany and Russian Departments
New Here This Year

Among the new members of the faculty at Connecticut college this year, are nine members of professional rank and sixteen members serving as instructors, assistants, or as lecturers.

Dr. Arthur Bowyer, associate professor of botany, has added plant tissue play production and play writing. He has produced many successful Shakespearean actors and at a diversified repertory of college productions. In addition to this, Dr. Bowyer has taught for a number of years at the University of Minnesota, where he received his B.A. and Ph.D. degrees, and has served as acting chairman of the department of English of the University of Hawaii.

Dr. John Cole, assistant professor of mathematics, received her B.A. degree from Sweet Briar College and her Ph.D. from Radcliffe. She has been on the faculty of Connecticut College since 1940.

Mr. Margaret Hale Kity, assistant professor of economics, has been on the faculty of Conn College since 1940.

Hail Freshmen

by Roberta Wells '48

There are worse things than Freshman week! There are traffic jams, houses overflowing with students, and art, and circulation staffs.

Students Offered Opportunities To Work For Victory

War Service committee, under the chairmanship of Brantane sabes, has made plans for a year in which the greatest amount of work will fail in the first minister in order not to interfere with the large number of other extracurricular activities coming in the spring.

October 15 Is Set For Return of Palmer Radio Project Air

by Jane Bentzer '46

The Palmer radio project, which was heard for the first time last month, has been scheduled in accordance with Dr. Schaffer's chapel talks, became official during the 1943-1944 Summer session. It was, in fact, so successful that it is to be continued throughout this winter term.

Meeting the Cudgels

The first meeting you meet, the Coed Cudgell! You know all the good things are said about the "so-called" black dress—of course you regret the hours you've spent in your chem, but you've made out the best that you could do.

CC Concert Series Will Open Oct. 11

With Miss Steber

Soprano Who Is Artist Of Opera and Concert

Sang Here Last in '43

Eleanor Steber, soprano of the Metropolitan Opera association, will be presented here on Wednesday, October 11, to open the season of the Connecticut College Concert series. Miss Steber has been attracting attention as a concert, opera, and recital artist, devoting much of her time to the Metropolitan Opera as well.

Radio audiences know Eleanor Steber as soloist on such programs as The Passion That Remembers, The Ford Hour, The New York Civic Opera, and the Metropolitan Opera broadcasts.

Miss Steber has been graduated at Connecticut college with the New London Girls' school. In 1941 she won the coveted Grand Prize at the Constance de Poilly Operatic Competition in France. Miss Grace Leslie, assistant professor of music, will introduce Miss Steber, and Dr. Haynes also appeared in a memorable performance of Verdi's Rigoletto presented by the Connecticut society in the registered performance of the Mass from the Minstrel by Handel.

The French house is a part of the French department, and Dr. Haynes promoted understanding and appreciation of the French language to provide a genuine French atmosphere for the spoken language.

French Always Spoken

Rules in the French house require the use of the language at all times except in the presence of English speaking guests. Even meals are eaten in the companionship of the French language at the dinner table in Thomson hall.

Visitors to the house will find a typical day, not all "un-American" in all ways, but a day in which the girl finds that she is no longer a stranger in the country, but a true member of the house and the French department.

When you come back from class, you hear the French house is a part of the French department of education. And after all that you come to Connecti-

Bach Series To Be Renounced This Year

The Bach organ recitals which were instigated last year by Professor Arthur W. Quibbin have been canceled this year. The first recital was given in Harris building under the name of a Bach recital. The series is to be continued through the year and is to include all of the organ recitalists from the following Bach series.

This endeavor has aroused interest in music circles, and in a recent music publication special issue was made of this Bach series.

This afternoon, October 4, Professor Quibbin presented to the program of this group, Part Three of the Churchonium. The conclusion of this work will be given Wednesday, November 1.
There was such an enthusiastic response to the performance of "Carmen" on Monday night that we feel that the college ought to sponsor more performances along this line. Not only are concerts an important cultural part of the college but dramas as well should become an integral part of our curriculum. With this in mind, the college sponsored last week a wonderful auditorium at our disposal, we should take every opportunity of showing the advantages of having opera companies and more modern dramas road companies perform in our auditorium.

"Carmen" is on the road now. "Harriet" is going on the road next week. The Bullet Russe goes on a tour that certainly could include Connecticut if the enthusiasm shown by the box office sales of "Carmen" is any criterion. We want to be able to broaden our scope by being able to go over to Palace house for more wonderful evenings of professional entertainment.

And we have a second request; to make. When we go back to school we found just a handful of our "time" students were not around. Many of us were dying to go but couldn't. When the college brings future performans to the auditorium, we ask that if the ticket is on sale so that everyone who wants to go has the opportunity to do so.

Dear Editor,

There was a violent change in attitude and way of life for the American college student.

The majority of the students at Connecticut college are unacquainted with college as an institution in a nation at peace. The present seniors are the only ones who can remember the routines which, if they were adopted now, would be considered absurd. The present students witnessed the instatement of the day-time sign-out system, an emergency measure begun in view of the threat of air raids. They can remember one afternoon just after the declaration, when radio announcers stated that unidentified planes were approaching the coast. They can remember the urgent request for planespotters for the lookout on Bill hall. They can remember the introduction of all kinds of Red Cross classes. They became part of the extra-curricular activities. They can remember the annual question of college students, "Are we doing our share when our country is at war, or are we wasting our time studying subjects that have no direct bearing toward winning the war?"

This answer was answered by the fact that the majority of students stayed inschool and that thousands of others have entered in the succeeding years.

The freshman class which we welcome this year bears the imprint of its members. New ideas, new personalities, new attitudes will be added to those already known; thus expanding the college and re-creating its vital role. And the freshman coming, the design is never static. It is in a constant process of becoming.

The freshman class which we welcome this year are unacquainted with the attitude of war. There is an eternal quality about a college. There that sentimentality, recognize the responsibility and obligation of the college student in aworld at war and peace.

There are more barren questions of the "progressive" record of John Foster Dulles, Gov. Dewey's number one adviser, on foreign affairs, so-called liberal thinker and internationalist.

Mr. Dulles is a cartell lawyer; he represents such big corporations with cartel dealings as the Rockefeller corporation, SKF Industries, Inc. In spite of his wide experience in foreign affairs, so-called 'progressive' and liberal in his attitude, the American people must know his names.

Candidate Dewey's Potential Secretary of State

Let's look at a particularly pertinent part of the "progressive" record of John Foster Dulles,-Gov. Dewey's number one adviser on foreign affairs, so-called liberal thinker and internationalist.

Mr. Dulles is a cartell lawyer; he represents such big corporations with cartel dealings as the Rockefeller corporation, SKF Industries, Inc. In spite of his wide experience in foreign affairs, so-called 'progressive' and liberal, the American people must know his names.

We Must Cultivate Our World Gardens
Says CC Minister

In his sermon at the vesper service last Sunday afternoon, Dr. Paul F. Laubenheimer compared the cultivation of plots of land into productive vegetable gardens with the cultivation of plants and into productive vegetable gardens with the cultivation of potentialities which must be done on our world garden if we hope to redeem it from the present chaotic state of nature and develop it into a truly charismatic and meaningful state of being.

This is a parable, Dr. Laubenheimer said, in which the down-to-earth and up-to-heaven are mutually exclusive. The vegetable garden must be at once encouraged and discouraged so that the growth of good shall come on its own way.

Chair Tryouts Are Held For 1945-46

Chair tryouts for 1944-45 were held in the House Church on Saturday afternoon. Mrs. L. M. Cooper, Head Maids, presided. The members of the new auxiliary were given a brief review of some of the duties of their office. The meeting was well attended.

The new seniors who were members of the auxiliary were Ida Rink, Margaret Maloney, and Pauline Sloss.

Extra-curricular Facilities

Extra-curricular activities were in full swing on Wednesday, February 13. The students were entertained at a Pygmalion and The Shawl, and were treated to an evening of piano and guitar by Mary S. C. and M. C. J. in the campus library. The music was received with appreciative applause by the audience.

State Faculty Party

State University of New York at Stony Brook recently held its annual faculty party at the home of the president, Dr. John L. Martin. The party was well attended and was enjoyed by all.

Graduation

The Class of 1946 will be graduated on May 15, 1946. The class will be graduated at 3:00 P.M. in the College Auditorium. The commencement exercises will be held in the evening at 8:00 P.M.

Walter F. Schaefer, Director of Athletics, has announced that the graduation exercises will be held on the campus.

Elusive Health

Elusive health is a fact of life for all college students. It is a problem that affects not only the students themselves but also their families and friends. The causes of college students' health problems vary, but they often stem from a combination of factors such as stress, poor diet, lack of exercise, and mental health issues.

However, there are steps that can be taken to improve health while attending college. These include maintaining a healthy diet, getting enough sleep, exercising regularly, and seeking help from professionals when needed.

Four New Freshmen Have Their Own Freshman Week Behind Others

by Betty Reedy '48

On Sunday, September 17, CC gathered again to greet four new freshmen who, on the Friday before they arrived, had already been on campus. They were headless, but they were definitely moving around. The freshmen were: Betty Reedy '48, Barbara Gardner '48, Barbara Marshall '48, and Barbara Martin '48.

The freshmen were welcomed to campus with enthusiasm, and were given a tour of the college facilities. They were also introduced to the student body and faculty, and were encouraged to participate in campus activities. The freshmen seemed to be enjoying themselves, and were looking forward to their college experience.

Eminent Architect

Stresses Organic Building

"Every house in Connecticut should be an organic building," said Frank Lloyd Wright, who spoke at the college on Thursday afternoon. "A house is not merely a space to live in, but a living organism in itself."

Wright, the famed architect who designed Fallingwater, the Guggenheim Museum, and many other famous buildings, delivered a lecture on the principles of organic architecture. He emphasized the importance of using natural materials and designing buildings that are in harmony with their surroundings.

Wright's talk was well received by the audience, who were impressed by his insights and ideas. The lecture was held in the college auditorium and was attended by a large crowd of students and faculty.

Students, Faculty Hold Discussions On Campus Topics

by Margaret Marson '45

Certainly do not question the function of A.A. and it’s clear to me that the problem is more than student or faculty. The Student-Faculty Forum plays an obscure role. It has been found that the only way to stop rumors is to answer them, so here are a few.

1. The members of Student-Faculty Forum are not stuf£y inclined with a leaning towards unanswerable questions.
2. The meetings are not violent arguments and one each has no crisp or petty pete. Rather, the attempt is made to come discussions to questions of current campus-wide importance and interest.
3. The discussion is kept on a formal and all topics are to be considered.

These are the answers to a few questions which are asked about the forum. However, most important of all is the fact that Student-Faculty Forum is the instrument for discussing problems which clearly concern all students. It is every student's opportunity to make this organization an effective agency.

Teachers Sponsor Lectures at WMI

The New London High School Teachers' Association is sponsoring a series of lectures to be presented throughout the fall and winter at Williams Memorial Institute. On Thursday evening, September 25, Helen Hoee, moderator, will present the first of the entertainment series.

The series includes: Carl Sandburg on November 16, Hal Davis on December 15, the Ullmans on February 5, and an arboriculture program on March 31.

The teachers' association is presenting the lecture series to entertain the scholarship fund for local school high school students. All proceeds from these series will be given exclusively to the fund.

Tickets for a single program are priced at 90c, $1.20, $1.50, while those for the complete series are 66c, 85c, $3.00, and students desiring seats may write to the lecture committee, Bulletin, High School, New London.

Do your part to take apart the Axis.

Have a Coca-Cola—soldier, refresh yourself

...or a way to relax in camp

To soldiers in camp, from the Gulf Coast to the north woods, Coca-Cola is a reminder of what they left behind. On “Company Row” or “Main Street,” Coca-Cola stands for the pause that refuel. Light, cold Coca-Cola in your canteen at base is a symbol of a friendly way of living.

Coca-Cola Bottling Co. of New London, Inc.

Wright

(Continued from Page Three)

"The United States," said Mr. Wright, "has the distinction of being the only nation which has the distinction of going from barbarism to degeneracy with no culture in between, and the only way we can avoid disaster is by giving up practices which are false and evil, and looking for truth. Through this more sincere type of expression, we can develop a nation that is great, beautiful and harmonious."

Mr. Wright was sponsored by the Selden Memorial Lectureship which was established by Mrs. Selden of Norwich in honor of her husband. His lecture was the first in a series of six which will be of their purview as a part of the future.

Press Board sends News of Campus to National Papers

Student Radio Script

Compensation Extended

The student competition for radio contracts in the PALIC Radio project that was orig-

March 1, 1944, has been extended to March 1, 1945. As of

September 1, 1944, has been extended to September 1, 1945. The subject matter may deal with

any events of the day or the week, but the point of

view must be of general interest. The script must be

delivered by the deadline, December 31, 1945, and must be presented

for consideration for the College Hour during 1946.

Applications for College Board of Milie. Are Invited

Mademoiselle is now inviting applications for "membership" on its college board. Being a board member means completing four assignments a year which give a rounded portrait of the college, college news, campus news, 

student views, campus events, politics,

and student problems.

Students from two or more colleges are invited to apply.

If you are interested in being aboard member, please turn in the application which is enclosed.

The student applications must be received by the deadline, January 30, 1945.

The winning program will be presented in the College Hour during 1945.

Some changes have been made in the arrangement of the first floor of Vinal cottage which pro-

vides dormitory room in the place of a former bedroom.

On Saturday, October 1, the meetings of the French Club un-

der the presidency of Miss Carol Ernst will be held in the living room of the first floor, which will be

held monthly, faculty members, students, and members of the New London schools, citizens of the
town, and any others who speak and understand French will be

invited. At the club gatherings time will be given largely to con-

versation and occasionally to a French reading or song.

The Fresh House will be held soon and freshmen and sophomores are especially encour-

aged to try their luck.

Jean Howard '45 Chosen New Editor-in-Chief of CC's Literary Magazine

The newly elected editor-in-chief of the Literary Magazine is Jean Howard '45. Mrs. Howard's

staff for the year 1944-1945 will be headed by Jean Howard '45, Bertha Avery '45, 

and a good recommendation in your 

year. Congratulations to Jean Howard '45 and the rest of the Fresh House staff for

Another "first issue" of News is out, and we start off the year with the engagements and marriages of the summer. There were a lot, too, and this week:

Nancy Walker '45 was married in June to Ensign Conrad Hensley, USCG, in Harkness chapel. The wedding took place the same day as Ensign Hensley's graduation from the Coast Guard academy.

Sue Long '46 and LT. Lawrence Rogers of the Army of the United States were married shortly after the closing of school in Hunting- ton, West Virginia.

Evelyn Tater '46 was married August 13 to Pvt. Gill Schwartz, man of the U.S. Army Air Corps.

Virginia Pollard '46 announced her engagement to Yeomen 2c Neil Turner USCGR, on September 12. Mr. Turner is stationed at the Coast Guard academy at the present time.

Betty Tait '46 has received a ring from Lt. J.G. Tom McFar- land, USCGR. Lt. McFarland is stationed at the academy, and they plan to be married in October.

Phyllis Budd '47 announced her engagement to John Cush- man, a Lt. J.G. stationed conven- tionally across the river at the Sub Lodge. All the commuters are in-

New Faculty

Botany Papers Should Be Claimed by Oct. 14

The botany department has placed the general botany laboratory papers, charts, and projects from last year's bot- any courses in the waiting area. There are only a few papers remaining from those which were not claimed by the students during the past summer.

Any of these things which are unclaimed after the first week of October 14 will be disposed of by the department.

Invitation Issued By Wig and Candle For Unique Party by Berelce Bleiner '45

What would happen if Lady Luck tied up the best of all possible Sunday dreams and knocked on the door? Opportunity doesn't play a twist in the right, but it does arrive when one sees a golden invitation.

Everyone who has dreamed of a pastel paper, a four-post bed, everyone who has stood before a mirror and seen herself as a Bernadette, everyone who has wished to be as wild as a Saleswoman, a Whiggish word, but a woman has issued an special invi- tation to Wig and Candle. The invitation says that every CC stu- dent is cordially invited to meet Arrogant Miss Nickels in Palmer auditorium on Monday, October 9.

Dr. Bouvier at Party

Dr. Bouvier, an associate professor of botany, is directress and Candle production. But before that time he has prom- ised to tell the ancient great- grape painters and Derrymore and the Premier Land of the theatre. Actors, creators and designers of scenery, play scripts, and all in joined stage crews are all invited to say "their 'how do you do'" and "join in the party."

Wig and Candle guides will conduct tours around the auditorium to solve the mystery of what's behind the curtains.

Wig and Candle will give two plays. The first will be a play of classes will want recruits for two more plays, and there is the Wig and Candies-sponsored Committee, the one to show that beauty and the male producer of Unde Sam's nephews, it's open season for dramatists, and for you! You! You! You!"

Dr. Bouvier will include a reading and an interview. He says that he'll have a chance to sit back and watch teacher performer. Don't miss this Monday night premiere with Dr. Bouvier as guest host!

Freshman Music Recital

To Be Presented Oct. 5

Thursday, October 5, is the date of the first recital event sponsored each year to ac- quaint the freshmen with the music department and its facul- ty.

The recital will be held in Wind- ham living room at 7:30 p.m. and under the direction of Dr. Meier '45, the president of the music department and instructor in music. All those freshmen who have any interest in music or playing, will participate. Every one is invited to attend this recital.

Dr. Clarence Wagner To Speak Thurs. Morning

Dr. Robert D. Mack, assistant professor of philosophy, gradu- ate of the University of Illinois and the University of North Carolina, and has spent several years of lecturing in Europe, Africa, and South America.

Dr. R. E. Wash, assistant professor of sociology, took her B.A. from the University of California, and was the president of the Woman's Auxiliary in the Tagantzeff Institute of St. Petersburg this past summer when she lectured to the Russian women. Dr. Washington went to Russia in World War I for Red Cross work at the Sorbonne, and to Johannesburg where she received her M.D. degree. Last year Mrs. Washington taught Russian in the A.T.C.P. classes at Cornell University.

New College Physician

Dr. Marion Leonard, college physican, is a graduate of Smith College and M.D. from Yale university where she has been associate professor of clinical medicine and pathology of the women's division. She has conducted a private practice in New Haven and has been assistant attending physician at the New Haven hospital and New Haven dispensary.

The following instructors have been added to the faculty. Mrs. Margarette Finkle, instructor in ac- cronomy and physiology; Miss He- len Miller, instructor in botany; Dr. Jane Worthington, instructor in philosophy; Miss Helen Calabresi, instructor in Italian; Miss Josephine Mitchell, instructor in French; Miss Ruth McFarland, instructor in zoology; and Miss Aileen Holland, instructor in psychology.

Lecturer, Assistants Appointed

Richard Logan has been added to the faculty as lecturer in geogra- phy.

The following instructors have been appointed: Mrs. Alice Brem- ber, instructor in art; Miss Audrey Hargitt, assistant in music; Mrs. Jayce Gradnick, assistant instructor in music; Miss Margarette Finkle, assistant instructor in zoology;

(Carried Over From Page One)

Also been connected with the In- stitute for Economic Research, and the Irving Trust company. At- tended conferences of the depart- ment of economics in the capacity of an assistant professor for Dr. Kather- ine Flay. A graduate of the University of Arkansas, she re- ceived her doctorate from Colum- bia University. Dr. Finney has been associated with the Chase National bank, and has also served as the faculties of Barnard college, Smith college, and Fonte- stone Mather college of Western Reserve university.

New Botany Chairman

Dr. Richard H. Goodwin is serving this year as the chairman of the department of botany and director of the Connecticut col- leges arboretum. He received his B.A., M.A., and Ph.D. from Har- vard where he also has taught. Dr. Goodwin came to Connecticut from Harvard in 1926. In addition to his work in educa- tion, he has done field work in all parts of the world, and has re- searched in the field of botany in the United States, the Caribbean, Africa, and South America.

Dr. Leo Kirshenbaum, assist- ant professor of botany, has been on the faculty, in his new position, since the opening of college. He is a graduate of the University of California where he attended for three years, and received his M.A. degree. From February until August last year, he attended the University of Munich in Germany for his doctorate. During this time he has been traveling and studying in Benin and Nigeria, and has also been engaged in field work. Previous to that time he has traveled and studied exten- sively in Mexico, Spain, France, England, and Germany.

Assistant Professor, Chemistry

Dr. Robert D. Mack, assistant professor of philosophy, gradu- ate of the University of Illinois and the University of North Carolina, and has spent several years of lecturing in Europe, Africa, and South America.

Dr. R. E. Wash, assistant professor of sociology, took her B.A. from the University of California, and was the president of the Woman's Auxiliary in the Tagantzeff Institute of St. Petersburg this past summer when she lectured to the Russian women.
