Difficult Play, Madwoman of Chaillot, Expertly Handled

by Constance Farley

The Madwoman of Chaillot is a charmer, and every word of Anouilh’s inspired text is a pearl of wit, mirth, and pathos. Miss Adeline Goodwin is magnificent. Other performances are deeply impressive, too. It was truly highly impressive. The Director, Mr. Fanning, has proved that a basic knowledge of Winnie the Pooh is necessary to the entire audience, a climactic moment in the attempt to qualify college students for the Fullbright Scholarship.

Opportunities for Further Teaching Found at Harvard

The Harvard Graduate School of Education has announced the establishment of the MAD program. This program will enable qualified young liberal arts graduates to enter the field of teaching.

Basis of Election is Outstanding Academic and Personal Records

Announcement has been made by Dean Burdick of the names of the three girls to receive the award of the Winthrop scholar this year. The recipients are Dell Stone, Gail Winthrop, and Lois Kaiser.

Piano- Duo, Choir, Offer CC Students Week of Concerts
by Frederica Schneider

Doubtary and Raizada, duo-pianists, performed here on November 29 in the Connecticut College Concert Series. High spots of the program were the work of Chopin for Two Pianos, Opus 13 and the Fantasie Opus 100 of Franh Schubert. Their tour was outstanding in its totality—the near perfect blending of the two instruments. A joint concert of the Wesleyan Glee Club and the Connecticut Choir took place on November 30. The Wesleyan Glee Club sang a number of school songs, two very pleasant folk songs, and the Dying Deer of Palestrina. Neither the Glee Club nor the audience seemed prepared for the abrupt change in style of the Palestrina work which was "lost in the shuffle" as a consequence.

The Connecticut College Choir's program, "Footsteps was exquisitely done. The Blessed Damozel by Debusay, the solos, Jo Starr, singing the role of the citizen and Arthur Becker, singing the role of the Damozel was an era that be

Fourth Finger, Left Hand or Avid Pursuit of Knowledge?  

Rings on Her Finger  
When it comes to announcing engagements, the juniors are putting in a good fight against the seniors.  

Mitzi Covitz '54, has recently announced her engagement to William Raskin whom she met this summer on a blind date in Hartford. She was working as an Auerbach dancer in G. Fox and Company, and William was attending Wesleyan College. They were planning on being married in June.  

Debby Phillips '54, Feature Editor of the NEWS, agrees with Mitzi that blind dates are a good invention, for she met her fiancé, Jerald Drane, through one. Their marriage plans are indefinite as yet.  

Judy's cousin, Mitzi Covitz, that blind dates are a perfect way. Pete is Debby's roommate and they are both studying at the Science Politique.  

Judy Pennypacker '54, Assistant Feature Editor, announced her engagement to Max Alexander '54, on being married in June.  

Mitzi has known her fiancé, Jerald Drane, for only a short time. They met through a blind date.

Clothing Collected
by Home Ec Club
Home Ec Club has planned a clothing drive in the dormitories continuing through Thursday, December 11. The clothes collected will be sent to Cabin School in West Virginia, one of the many schools established to Save the Children Federation.

This particular school in the coal-mining district of the West Virginia mountains serves twenty underprivileged children who need clothing badly. It is hoped that students will give all clothing possible.

Sources, socks, mittens, and the like are especially desired, but all clothing will be used, if not by the children themselves, by their parents or those in need. Boxes have been placed in each dorm for these gifts of clothing.

In addition to these primary means of aid, individual gifts of toys and books have been asked for by Home Ec Club members, as an annex function of this club.

Cornell U. Offers Aid to Graduates

More than $200,000 in financial aid will be available to graduate students at Cornell University during the academic year 1953-54, according to an announcement by the university’s Graduate School.

The grants are in the form of scholarships and fellowships for study in the humanities, the social sciences, the physical sciences and mathematics, the biological and agricultural sciences, and engineering. They range in value to $3,100.

Applications are due by February 22, 1953. Detailed information and application forms are available from the Graduate School, 125 Day Hall, Cornell.

Winthrop Scholars Party on Dec. 16th

(Continued from Page One)

Hage in July by spending her summer cooking and sewing for her family in Westport, Connecticut. She hopes also to make use of her Child Development major by teaching nursery school after marriage.

Jean Gallup

You definitely do not feel, when talking with Jean Gallup, that she is analysing you, which is remarkable, since she has done intensive work in her major field, psychology. She did admit, however, that she feels she might know a little more about someone she has known for a long time than would the layman.

Jean has had the unique advantage of being able to combine practical experience with theoretical knowledge. One summer she gave psychological tests at the Norwich State Hospital. This year she is continuing her work begun during the summers at the Submarine Base by giving the Rorschach and other individual tests to servicemen. Normality seems to have more attraction for Jean than abnormality since she has found few examples of the latter. It is doubtful if Jean will have trouble after graduation continuing her Medical Research, as she plans.

Commuting from Norwich every day has not hampered Jean’s scholastic activities, even though her friends insist that she goes out every night. She has always managed to keep up with her work from day to day, which is the best advice she can offer to Winthrop Scholar aspirants.

Spanish Club Xmas Party on Dec. 16th

As in years past, there will be a festive pinata at the annual Christmas party of the Spanish Club, which will be held on Tuesday, December 16, at 7 p.m. in the gym. Dancing, and the singing of the Spanish Christmas carols will comprise the rest of the entertainment. Refreshments will be served. All Spanish Club members are cordially invited to attend.

Juniors Formulate Father’s Day Plans

Connie Demarest was recently elected by the class of 1954 as director of the Father’s Day Show. This show, annually presented by the Junior class, will be held this spring on May 16, 1953, as one of the highlights of the Father’s Day program.

Plans for the Father’s Day Show are already being formed by the Script Committee. This committee, headed by Nancy Gurtland, includes: Ann Matthews, Helene Kestenman, Carolyn Chapin, Sylvia Sternberg, Sue Shindler, Jeannie Gehmeyer, Diane Robinson, and Louise Klump.

French Comic Film Will Be Presented In Palmer Dec. 13

Topaze, a French comedy, will be shown in Palmer Auditorium on Saturday night, December 13, at 7:30 p.m. Admission will be 50c.

The part of Topaze is taken by Fernande.

Youth Formulate French Comic Film have succeeded in isolating another fluorescent material which does not inhibit growth.
