College Bills Due May 15 This Year

Attention should be called to the fact that the date for the first payment of $100, on college bills for 1956-1957 has been changed from July 15 to May 15, 1956. A notice to this effect is on the All College bulletin board in Pan- ning.

The reason for this change has been given by President Park: "Because of the increased number of applicants for the Freshman Class, it is necessary for the College to know by May 15 how many present students expect to enroll next year."

Students are asked to notify their parents of the change in date for this $100 payment. An official statement will be sent to parents by the Bursar's Office in April.

Payment of this $100 must be made by May 15 in order to hold a place on the College list for the academic year 1956-1957.
