"OUR MONTHLY MUSICAL GEM."

ISSUED ON THE 15TH OF EACH MONTH, DATED THE FOLLOWING MONTH.

Subscription Price, - - - \$1.50 per Year.

 AN UNEQUALLED MUSICAL MONTHLY. 

Bright, Sparkling, Classical and Popular Melodies by the Best Composers of to-day.

The immense success of the No. 1 issue of this Monthly necessitated an immediate second edition of that Number, and Number 2 has already doubled in quantity the first and second editions of No. 1.

At the present rate of increase its circulation will be over 100,000 within the next few months.

To those who are Subscribers this statement will not be a matter of surprise, as every one who has seen the publication concedes that it is superior in points of mechanical production and musical excellence to anything heretofore attempted at the exceedingly low price for which it is sold.

Published by the Leading Music House of America, with experience and pride to manufacture it, no expense has been spared in its production.

High-class and consequently costly compositions by eminent Composers are exclusively used in its pages; printed on the best paper the market affords, from lithographic stones and by immense presses, the entire book presents an appearance which challenges admiration.

Nothing cheap or gaudy enters into its make-up either as to workmanship or musical selections.

The best Artists illustrate the title page of each Number with a crayon portrait on stone of a leading musical personage. Each title page is then lithographed in tints and colors, giving pleasing effects that are chaste and beautiful.

With thirty-two pages of Music in each Number, worth in sheet music form from three to four dollars, it is little wonder that these monthly issues find such great popular favor.

While many publications are mere advertising schemes and possess no merit, we respectfully decline all advertising, and intend that this beautiful monthly shall win by its intrinsic worth as a Choice Collection for the lovers of true musical art.
