ROSES

Just to say that I love you.

These roses, dear, I'm sending you,
No fairer roses ever grew.
For deep in each heart there is concealed
This message of love to you revealed.

Roses can bring us happiness,
Roses can bring us tears,
Roses can bring back memories
Memories of by-gone years,
Roses can bring forgiveness
For their charms are rare 'tis true,
But could these roses speak, they'd tell
you that they seek,
Just to say, dear, that I love you.

Like music, dear, flow'rs play their part.
They bring us joy and break our heart
Most beautiful flow'rs that ever grew.
This message they bring, sweetheart, to you.

Moderato

The piano introduction consists of two staves. The right hand starts with a series of chords in the treble clef, while the left hand plays a simple bass line in the bass clef. The tempo is marked 'Moderato' and the dynamics begin with a forte 'f'.

This system shows the piano accompaniment for the first vocal line. It features a 'Vamp' section indicated by a double bar line with a repeat sign. The dynamics shift from forte 'f' to piano 'p' during the vamp.
