ANNUAL REPORT for Information Services 2010 – 2011
Greetings:
The Information Services 2010-11 Annual Report highlights important IS activities in support of the college community over the past year. This report is a companion to the Information Services Annual Plan completed last spring and available at http://digitalcommons.conncoll.edu/isannualplan/9/. I will be happy to answer questions about either effort.

Please let us know how we can serve you more effectively.

Thank you,
W. Lee Hisle, Ph.D.
Vice President for Information Services and Librarian of the College

The Information Services Mission

Keeping you CONNECTed: Partnering with the college community to provide innovative, reliable, and universal access to information resources in support of academic and administrative endeavors.

IS Strategic Priorities 2009-2012

• Improve IS operations and systems to support the college strategic priorities and areas.
• Strengthen IS infrastructure and mitigate risk of significant network outage.
• Strengthen information security and regulatory compliance environment.
• Provide competitive IS environment for student experience.
• Improve IS support of academic and research efforts.

Information Services Goals

• To ensure access to books, periodicals, and other information resources for learning, teaching, scholarship, and administration.
• To preserve and appropriately protect scholarly and administrative information and archival materials.
• To develop and promote academic and administrative information as a campus resource.
• To ensure a secure, robust, stable, and innovative technology infrastructure.
• To create a vigorous program of information literacy to prepare students for a lifetime of intellectual endeavor.
• To help faculty integrate technology into the curriculum to enhance student learning.
• To join with the college community in stimulating intellectual, social, and cultural growth.
• To create in partnership with the college community facilities that support learning, teaching, scholarship, and collaboration.
• To communicate effectively to foster campus community involvement in Information Services operations.
• To respond to the varied individual information needs of students, faculty, and staff.
• To promote the ethical and legal use of information resources.
• To recruit and retain outstanding Information Services staff and provide development opportunities to maintain quality services.
• To ensure effective management of Information Services as a campus resource.

Facilities and Infrastructure

• Provided 12-15 years of additional collection growth space by completing the installation of 26,000 linear feet of compact shelving on the lower level of Shain Library.
• Provided robust wireless networking to all residence hall rooms with the installation of 262 new wireless access points throughout campus.
• Created a net gain of 40 seats in several new and reorganized seating areas in Shain Library, enabling students to work in groups or alone, while supporting the use of technology.
• Began upgrading campus PCs to Windows 7, including all open computer lab PCs.
• Improved technical training opportunities for IS and other staff by adopting the 3-year Banner and WebFocus Training Program.
• Completed the refurbishing of the Charles Chu Asian Art Reading Room by replacing the carpet and ref finish ing the floors and furniture.

Services

• Implemented VuFind, an open source discovery layer product, as an enhancement to the CTW Consortium’s online catalog.
• Designed, developed, and implemented a new Information Services website to improve user access to information.
• Expanded Research Support and Instruction’s involvement with the First Year Seminars by reaching a higher percentage of FYS classes.
• Collaborated with the international students advisors to provide orientation sessions for incoming international students.
• Encouraged increased collaboration in courses by developing and providing several workshops for faculty on using Google Apps for Education.
• Expanded the Digital Enhanced Learning Initiative (DELI) to provide support for a SABA in Mexico and a Marine Biology class in Belize.
• Created Teaching with Technology, a well-attended new seminar series for faculty.
• Provided workshops for faculty on using digital images in teaching with the ARTstor platform.
• Finished converting all current faculty, staff, and student email accounts to Gmail.
• Increased awareness of information security issues with a month-long, campus-wide cyber-security awareness program and a series of ads in The College Voice.
• Upgraded the e-Portfolio program to add new features and update the underlying software.
• Partnered with Finance to implement e-billing, a third-party software solution that sends electronic bills to students and parents.
• Focused on the Friends of the Library program by redesigning the newsletter and Friends of the Library outreach efforts to attract new members and strengthen relationships with past members and potential donors.

Collections and Resources

• Repurposed the Language Lab into the Language and Culture Center, a state-of-the-art new media center promoting language and culture learning and the integration of international studies into the curriculum.
• Implemented a pilot program for patron-driven acquisition of electronic books, allowing patrons a more direct role in building our collections.
• Processed approximately 80 linear feet of gift books in Special Collections, enhancing collections in the areas of children’s literature and early printing.
• Scanned the papers of Prudence Crandall, the official state heroine of Connecticut, and began work on a website where the documents will be viewable online.
• Transferred the William Mercer collection of 15,000 slides from College Relations to Archives and secured server space for archival digital images, beginning a process that will make this collection accessible to the College community and the general public.
• Completed the Shain Library Collection Management Plan with selection guidelines for the integration of e-book titles into existing library resources.

Library Events

• Talk by sculptor Michael Rees on his sculpture Putto 4 over 4, September 16.
• The 13th Sound Lab Lecture: Lauren Weber, “In Cheap We Trust,” September 30.
• Japanese calligraphy presentation in the Charles Chu Room, October 26.
• Friends of the Library exhibit opening and reception for “Building a New Library” exhibits, February 11.
• Friends of the Library exhibit opening and reception for “The Path to 1911” exhibit, March 25.
• Symposium for the opening of “Celebration: 100 Years of Art and Creativity,” May 11.
• Friends of the Library exhibit opening and reception for “Equal Education, Equal Opportunity” exhibit, June 3.
• “Archives A to Z: A Presentation to Returning Alumnae,” June 3.

Exhibitions, 2010 - 2011

• “Celebrating Chiang Yee and The Silent Traveler,” September-October 2010
• “Creating a New Library: The First Books at Connecticut College,” January-March 2011
