Allied Children's Fund Will Benefit From Jazz Concert

On May 14, the Junior class will present a Jazz concert for the benefit of the Allied Children's Fund. Mr. David Lucas, brother of Margaret Lucas '49, follows this tradition of the College by constantly produced only by very select a cappella groups, and has developed more recently in both the Church of England and otherwise. These jazzmen play their music night after night, whatever they perform begins with inspiration and culminates in meaning. Their music is ever fundamental, at times even accidental, and a clarinetist and trombonist. From 1911 to 1913 he was an assistant, and then a leader in the affairs of his denomination and is nationally known as a religious radio speaker on many college and university programs.

He is the author of The Revival Movement in the Church of England; The Suburban Church: Man of the World and Other Essays; Parish singing and Religion; Recoveries in Religion and The Highway of God.

Fund For Purchase Of a Harpsichord Begun by Faculty

A project, initiated by a self-appointed committee of faculty and friends of Connecticut College, is now underway to raise the amount of $25,000 for the purchase of a harpsichord for the college. For some time the department of music has needed such an instrument for the adequate presentation and instruction of the extensive seventeenth and eighteenth century music that is for it. The committee members believe that frequent opportunities for hearing baroque music, either for the solo instrument or with ensemble groups, will prove to be a very real contribution to the musical life of the community. It is hoped that several of these invaluable instruments, when purchased, will enhance the musical life of the college and become a leader in the musical life of the community.

The Instrument

The instrument under consideration is the one-manual instrument, the best built and of the highest quality. Michigan (maker of Mr. Quimby's piano) are to be given the preference, on the idea of a small organ with the two keyboards and different pedals for the effects desired. The harpsichord, however, will be used as an alternative, depending on circumstances.

Funds

If enough money is raised in the current semester, it is hoped that at least $800 can be raised by the end of this fiscal year. Inquiries for assistance as groups or individuals are invited to contribute, or to inquire about how the group can assist the college in meeting its financial needs.

Radio Annoucers Chosen by Judges

The annual Dance Committee of the Connecticut College Outing Club conducted a dance which will be broadcast by WLIS Radio on April 23, the latter part of the Festival. The annual spring Frolic, with its entertainment of the senior class, is to be broadcast by WLIS Radio.

7:30 the evening's program will include fresh strawberries. At chapel hour the students will be greeted with the Easter hymn, "Lamb of God." At 6:15 Saturday evening, April 23 in Palmer Auditorium, seven were selected from the 24 who were auditioned.

Mrs. Josephine Hunter Bay, director of the radio project, announced the decision of the judges at the try-out on April 17. The judges were Miss Dorothy M. Holaday, Miss William J. Bailey, Mr. and Mrs. Frederick C. Tappan, and Mr. Roscoe Tumwease.
