
Seniors are Entertained.

On Saturday afternoon Mrs. Marshall gave a delightful tea to the members of the Senior class in the faculty lounge of the university. Mrs. Marshall, who was a very charming hostess, dressed in a drab, snowy hat of pastel shades, was assisted in receiving the guests, by President Marshall. Catherine Holmes and Mrs. Harry Hamilton also helped in receiving; and several members of the sophomore class, Helen Hood, Frances Angler, Hazel Ladd, and Theodora Hewlett "touted." President Marshall told the girls the glad news about the new house which is to be built at the other end of the soccer field, facing New London Hall. It is to accommodate twenty girls, as a dormitory. There will be a dining hall in the house which will provide for sixty girls. A very particular feature of the building will be a large hall, one and three quarters times as large as the Gym, where college dances will be held. The house is to be built of stone quarried from college land. It will not clash with the Tudor buildings, since the Georgian Colonial lines of the Library have provided an appropriate opening for the addition of other buildings of colonial type. It is hoped that the house will be finished by next February, but in all probability, it will not be ready for opening until the fall of year from next. Several plans will be on exhibition sometime next week.

The faculty room was beautifully decorated with flowers which were arranged by Miss Shere.

HAVE YOU HEARD THE NEWS?

The weary New Board, worn and frazzled after a year of Writers' Club, forgot its malady, revamped itself, and basked at the Mohican on Wednesday, May 14. "Food for thought?" you say? We think so perhaps. The quality of the voices and the music of the instruments seemed to have gained something in fineness and clearness over previous years. The Glee Club selections were especially effective in tone coloring, particularly the pianissimo shadings. The quality of the soprano and second sopranos seemed exceptionally rich and full, and the balance of these parts was at all times good. After the singing of the "Serenade" by Dr. Lawrence Ehr, who is head of the Music Department, the composer was given an ovation. The Club responded by encoreing the selection. The Mandolin Club, augmented by some outside players, gave a very creditable performance. The quality of the violins showed great improvement over that of last year. At the end of the concert the Club very obligingly responded with a number of encore.
