Faculty Advance in Rank.

Among the Faculty of Connecticut College there have been many advancements during the summer.

Miss Pauline Hamilton Dedere, Ph. D., Associate Professor of Zoology, has been advanced to the rank of Professor of Zoology.

Also Miss Esther Celia Cary, Ph. D., Assistant Professor of Romance Languages, has been advanced to the rank of Associate Professor of Romance Languages, and Miss Cora Lee E. Ernst, Assistant Professor of Romance Languages, has been advanced to the same position.

Henry Bill Selden, Assistant Professor of Fine Arts, has advanced to the rank of Associate Professor of Fine Arts. While William R. B. As- stistant Professor of Music, and Frederick W. Loys, likewise Assistant Professor of Music, have been advanced to the rank of Associate Professor of Music.

Mrs. Besse Bloom Wessel, Ph. D., Instructor in Sociology, has now the rank of Assistant Professor of Sociology.

The President, Agnes Leahy, is holding the position of Secretary of the Connecticut College Personnel Bureau.

John W. Miller, A. M., Ph. D., Harvard University, has been appointed Assistant Professor of Philosophy, in addition to the rank of Associate Professor of English in 1915, Assistant in Philosophy, Radcliffe College, 1921; and Instructor in Philosophy at the Summer School of the University of Connecticut, 1921.

Miss Mary May, who is a graduate of the Kent State Normal School during 1922, has been elected. She was at the Physical Education Department, 1913-14, Assistant in Philosophy at the Summer School of the University of Connecticut, 1921.

Mr. McCurdy has been appointed Cataloguer in the Library. He has been in the Reference Library during the years 1915, 1916, 1917, 1918, and 1919, and also held the position of Physical Director at the Red Cross Institute for Disabled Women, 1918-19.

Mr. Watson Selcage, Assistant Professor of Philosophy and Education for the past two years, has resigned his position. Since his home is in New London, he is spending part of the winter there.

GIVING PLACE TO NEW.

Always at the beginning of the college year the faculty whose faces are familiar but whose names are new to the class of Freshmen can be welcomed, This year as usual a number of replacements were made.

Mr. Watson Selcage, Assistant Professor of Philosophy and Education for the past two years, has resigned his position. Since his home is in New London, he is spending part of the winter there.

Dartmouth Honors President Marshall.

Confers Degree of Doctor of Divinity.

On the occasion of the Twenty-fifth Reunion of his Class, Dartmouth, 1897, and of the graduation of his son, Andrew Marshall, 2d, from Dartmouth, President Marshall was honored by his Alma Mater in having conferred upon him the honorary degree of Doctor of Divinity.

President Hopkins of Dartmouth, in conferring the degree, made kindly reference to President Marshall's long connection with the college, in the capacity of student, alumnus, and professor, and to his activity in different fields in undergraduate days, and his vital interest in the college, during the past quarter century. He made a very gracious reference to Connecticut College and to President Marshall's relation to it, referring to him as a "C. C. than to himself personally that President Marshall accepted.

China Represented at Connecticut.

Miss Mo-Li How Has Entered College as C. C.'s First Student from Beyond the Pacific.

Miss How had never been to America before, having been born in Francisc in the eighteenth of September to attend our college. Enroute to New London she stopped for a short time at New York and states that she was greatly impressed by the skyscrapers and by the hustle and bustle of the metropolis.

Miss How was prepared at the Mc- Tyre High School at Shanghai, and came to our college at the instigation of her brother to whom it was recom- mended. Miss How has an American girl and particularly attractive. She is very sociable and gains a warm interest in the college and college activities and probably, because she is a graduate of the class of 1926 as well as her Alma Mater.

President Has Varied Summer Activities.

The President's activities during the summer were practically as fol- lows: Following Commencement at C. C. he attended his Twenty-fifth Reunion at Dartmouth, July 17th.

On the afternoon of June 30th, Dr. Marshall officiated at the wed- ding of Ann Slade to Mr. Albert Prey at the home of Miss Slade in New London. On August 10th, Dr. Marshall preached services at the First Congregational Church, Boston, and on August 15th, at the First Congregational Church, New London. On August 16th, he attended the First Congregational Church, New London, and on August 17th, at the First Congregational Church, New London.

During the entire month of August, Mr. Marshall remained in New London.

“BY THEIR WORKS.”

From their beginning adverse criticism has been heaped upon the college, but if a continually increasing number of graduates and students be proof of success, we cannot help having full trust in the future of our Alma Mater. We, therefore, strive to do our best to make her glorious.

By their works, work was deposited in Overlook, our sports cases and tennis rackets draped on the beds, our hats thrown carelessly on the floor, and we hung our heads as we looked at the rustling rail admiring the view. Vassar shared this feeling of pride, but C. C. were all together. We were really at Silver Bay and the foliage of its beauty, the love of its friends, the inspiration of its speakers, and the breadth of vision belonging to its atmosphere were to us for ten whole days! “Plays” and “Ols.” were chosen from our delegation to lead discussions on certain groups. They were fine leaders—we know, for they sometimes practiced on us. “Oh!” with hasty manner, was our delegation manager. Janet Crawford was a constant pride as our cheerleader. And who else was delegation leader but “Our Judy” Warner? and later “Pip!”

Every morning we met in groups of about ten, to discuss religious questions and every morning and evening we met in the assembly hall to hear speakers on those same subjects. Dr. Collier was a delight. Miss Lorett Fray, my teacher as well as a friend, and Dr. Coer-ne from New York were admired, and loved Dr. Coer-ne from Europe.

MEMORIES.

The “Horizon” stood sailing at the town of Lake George on the twenty-second of June. Girls, and more girls, and still more girls came up on the deck, and settled themselves on deck. There were Vassar, Wellesley, Bard, Barnard, Smith, Rochester, Syracuse, Bryn, Mawr, Connecticut,—oh. “C.” was there in a happy group on the bow as the “Horizon” left the dock and steamed down the lake toward Silver Bay. Wellesley sang, Holyoke sang, everybody sang. It took more than a few drops of rain to dampen our ardor, and when the pier of Silver Bay came into sight, great was the cheering and excitement.

Almost before we knew it we were deposited in Overlook, our sports cases and tennis rackets draped on the beds, our hats thrown carelessly on the floor, and we hung our heads as we looked at the rustling rail admiring the view. by September first, when she returned to New London she felt entirely ready for her hard work here at C. C.

Dr. Wells Prepares Books.
Dr. Wells is one of those extraordinary men who believe in supplying work for themselves as well as for someone else, and his activities during the past summer have proved no exception to his rule. In collaboration with Mr. Calvin & Bush and Miss Oberlin, the Willi-ams Memorial Institute, Dr. Wells has taken from the Bible and arranged on an entirely new plan a group of selections which may serve a variety of purposes. For instance, the selec-tions may be used for responsive readings in schools and colleges. Leaders in colleges and schools will find this book suitable for their needs along such lines. Also, there is a compen-dium of most of the passages in the Bible which are much discussed and referred to in ordinary life. The text will be printed in the form of modern literature, i.e., poetry in modern verse, prose as in all modern books. Yet these will be divided into divisions which are not too obvious, in order to make the book fulfil its numerous purposes. Up to this time no group of Bible selec-tions has been prepared in this fashion, and the publication is awaited with a great deal of interest.

Moreover, Dr. Wells has just finished a supplement to the Men-sual Writings in Middle English. The version is to be published by the Yale University Press.

Dr. Jensen Works at Hartford.
Dr. Jensen divided his summer between New London and Hartford, where he worked for a month of his vacation. He has recently moved from Mehegan Avenue to Hall Avenue, in order to be nearer the Harbor School.

Dr. Dederer at Cold Spring Harbor.
Dr. Dederer was five weeks at Cold Spring Harbor, Long Island, working under C. L. D. Davenport, Director of the Department of Genetics of Carne-gie Institute of Washington. The rest of the summer she spent in Woods Hole.

Mrs. Wessel Speaks at Conference.
Mrs. Wessel spent two weeks at national conferences on social work, at one of which she delivered a paper on a specialized phase of the work. She did additional work toward a Ph. D. at Columbia University Summer Session, and spent the remainder of the summer “at play.”

Mr. and Mrs. Baur 
Mr. William Baur, Associate Professor of Music, spent the greater part of the summer at his home in New London. In August, Mrs. Baur and some friends motored for ten days into Canada. The journey was made through the Adirondack Mountains, across Lake Champlain, and the return trip included the Mohawk Trail.

Mr. Weld Arranges Concert Series.
Mr. Frederick Weld, Associate Professor of Music, spent the summer in New London, where he sang at Peguot Chapel. Mr. Weld, as Chairman of the Committee for the Concert Series, gave a large part of his time to plan-ning the concerts and making the final arrangements. The series this year promises to excel that of last and all who can should take advantage of this rare opportunity.

History, a Maine Feature.
Mrs. Noel spent part of her summer vacation with her son in Maine at a small village not far from historic Castine. Castine was the ancient cap-ital of Acadia, which is one of the very old settlements of Maine. It is the site of two interesting Ports which have figured prominently in the his-tory of the United States, and date back to the early French Settlements in this section. The attractive homes, the rock-bound, island-dotted coast and the deep Maine woods make it ideal for a summer’s rest.

Later in the summer Mrs. Noel and her son visited Kennebunkport, the home of Du Pont Tackington and Marga-riet Deland. Here, too, they enjoyed unusual combination of the rugged coast and the “great Maine woods” with the added attraction of fine surf bathing. While here, Mrs. Noel visited the artists’ colony, Ogunquit, situated near Kennebunkport.

Mr. Pinol writes.
Mr. Pinol remained in New London until the fifteenth of August. After that date he went to New York where he stayed until the opening of college. During this last month of vacation he was in the employ of a publishing house in the city and was in the process of preparing two man-uals for publication. One of these books is a “Book on Short Stories” and the other an Electrical Dictionary.

Miss Lawson Goes to Hockey Camp.
Miss Marguerite Lawson, Instructor in Physical Education, did not go far from her summer vacation. She spent the summer enjoying the sports right at her home in Hingham, N. Y.

Miss Slawson Goes to Hockey Camp.
Miss Marguerite Slawson, Instructor in Physical Education, attended a Hockey Camp at Mr. Poono, Penin-sylvania, the first ten days in September. Fifty physical instructors and college girls from all over the country, who were interested in the same, played hockey all day long. They were coached by a member of the champion English Hockey Team, which won so many games in this country last year.

MISS SLAWSON GOES TO HOCKEY CAMP.

Through July and August Miss Slawson was supervisor of a playground for Italian children at 344 Clare, N. Y. The playground was opened with a large party on the Fourth of July. Miss Slawson entertained many children, the youngest of whom was two weeks old, the oldest sixty-seven years old.

HIS SIXTEENTH YEAR AT NANTUCKET.

Dr. Doyle spent his summer at Nantucket as he has summers past. He drove via ferry and sailed for the island with his jinney and family alike on board. Dr. Doyle has not tired of the resort despite the sixteen summers he has spent there in his summer home. He speaks enthusiastically of the hospitable natives and of the hiking and swimming he enjoyed with his four daughters.

As an example of his active life there he told of a twelve mile hike he took over soft sand to a remote light-house. The keeper told him that his family was the fourth party to have ventured so far.

PRESIDENT HAS VARIED SUMMER ACTIVITIES.

Just before College opened on September 3rd, Dr. Marshall and his family returned to New London August 5th, and on September 1st, he left for Colebrook, Conn., where he officiated at the wedding of Alice Herron to Mr. Fred H. Schell, at the Congregational Church, Colebrook, Conn.

Just before College opened on September 3rd, Dr. Marshall was sum-moned to conduct Dr. Coerne's funeral in the Mount Auburn Cemetery Memorial Chapel, Cambridge, Mass.
