First House of Rep Meeting Held Tuesday, September 30th

The First House of Representative meeting of 1952-53 was called to order by Geo. Cruze '54, the Speaker, at 5:15 p.m. Tuesday, September 30th.

Among the topics discussed were several at the request of the USMC. Blood Bank regulations were emu-merated as one. Written permission from home is necessary if the student is under 21.

2. The minimal age limit of the Speaker.

3. The permission slips must be approved by the students and be signed by the Dean of Students.

4. The Speaker reminded us of the vital necessity for blood con-trIBUTIONS. It is surprising how many students as possible contribute.

A list of the annual estimated expenses at college has been compiled and distributed for the bene-fit of freshmen and transfers. We hope that this list will be of help throughout the year.

Temporaryaries and other students have been appointed for a short period of time. In the opinion of the Speaker, the per-sonnel were appointed in conformance with all the rules and bu-lletins of the house. Each president was in-structed as to her duties during the coming month. As is the pres-ident's responsibility to see that everyone always knows the plan and to make a report of any absences and the reason for the absence. Please the student must check the signout sheets weekly and send the list to Geo. Cruze '54. The overnight cards must be checked and handed into the Dean's office on each Monday.

Eva Blumkin '53 asked that each dorm appoint a circulation represen-tative for NWSY. Her duty was to keep the dorms up to date. She spoke Tuesday evening to dis-cuss the matter of the dorm system.

Kate Webster '54 asked that each dorm appoint a permanent dorm represen-tative.

Barbara Paine '53 brought up the subject of a job search. She commended the students upon the very successful chapel at-tendance to date. All present agreed with her that the interest of the freshman and the sophomore milieu will con-tinue as long as we are interested.

As there was no further business we adjourned at 7:30 p.m.

POLITICAL COLUMN

In a highly impressive and comprehensive of the events (lasted September 30), the Yale Daily News calls for an insistent daily to endorse Governor Adlai Stevenson for the presidency of the United States. The last influence of The Columbia Daily Spectator followed suit, aptly describing the general's campaign as "the great disenchanted,

Both, to state the matter briefly, give, as the reason for the swing of the public, a rather better disappointment with the general's present economic policies. Here is the "great crusader," the Messalina of the Senate, who was to lead us out of the wild-erness of corruption, communism, and the Wall Street panic. The people are most pleased to the sight from a distance, on the higher view, the general has become a flashing of in-formanions times polities, cen-tined lines of action and vague and ex-pressive images.

For example, he has taken under his wing the entire state of the Republic's newspapers as pre-sently up for re-election. Where, for instance, I ask, does McCarthy fit into the pattern of truly demo-cracy? How are our defense polities to be united when one of our great general is irresponsibly accused of trait- ory? What sort of friendship is it possible to maintain with Pat McCarran banding our delivery? Furthermore, Eisenhower claims to be aiming at a Federal budget cut down to $60,000,000,000 in four years. The American public, not to mention Western European public, would be interested in knowing whether or not these cuts are coming. Add in What The Yale Daily News terms this "to Robert A. Include New Polit Group: More Bikes
by Ricki Rudloff

Election fever is slowly mounting with November 7th less than four weeks away. Connecticut College students are aware of the growing things as is evidenced by their fervor to organize a Student for Stevenson committee on campus. The idea took form of a recent meeting in New London to form a Volunteer for Stevenson Committee. This committee is to be affiliated with the Connecticut branch headed by John Hersey.

It is to be understood that this committee is not a fund raising group of the Democratic party. But is a separate campaign effort on the Independent vote.

Margie Craig is the head of the student committee, which will be working hand in hand with the New London group.

Participating students will be introducing as well as promoting and distributing such material as post

NEWS proudly announces the engagement of one of its staff members, Sally McPherson of New London, a year ago when Skip was waiting on tables and Dave was working behind the bar. From the very beginning, Sally's presence has been a noticeable factor on campus.

The AA council would like to welcome the new freshman representative, Anne Williams, and hope that the freshman class will find this year in their competition.

Mascot Hunt

The clues and banners may not be hidden in classrooms, teachers' offices, the library, lounge, chapel, powerhouse, nor in the Hill Hall, nor inside the Post Office, nor in freshman or senior rooms, nor at the stables, Miss Partys, or the faculty houses. The clues do not necessarily have to be on paper; and may be written in code.

All clues and banners found must be verified by the junior class president, Casey Calloway. The Sophomore class president, Bill Hall, must be notified if the junior dorm each night. The more clues do not necessarily have to be signed out to sleep in. If the sophomore class president, and no classes may be cut for the juniors, must be verified throughout all the fun. The goal for this year's donations from students is $8,000. From this fund contributions to various organizations and causes will be made. This year the committee has decided to add to its list several new causes: the Cancer Society, the Heart Fund, the Cerebral Palsy Fund, and the March of Dimes.
