Clearing House of Campus Interests Provided by NSA

by Joan Gries

NSA, the National Student Association, is an organization of students from all over the country designed to promote student interests and welfare. Information on all types of student problems and activities is collected by NSA and made available to all members colleges. In this way, we can at Connecticut can benefit by knowing how other colleges in perhaps Idaho or California are handling the same problems. Student government is recognized by Congressman for Canadian, or through, or checked by guest students who are sure to check with Lost and Found.

Although no date has yet been named for the first all-college dance this year, the early fall--a good chance to spend an interesting weekend with your dates before the business of the semester starts to interfere.

In connection with its social programs, the committee in charge of the New London, Service League is planning to have a dance for all campuses Wednesday, October 5, at the 6:00, Wednesday.

The committee is well schooled in all age groups in such young ladies as Barbara Biddle, chairman, and Pat O'Rorkey, chairman, Miss Dilley makes a nervous tourist to take the first day of war, since war has proven that we need a system of world government capable of preventing war, since war has proven that we need a system of world government capable of preventing war.

This year the NSA Council has plans to publish a calendar for the students. It will contain a complete schedule of all college events as class meetings, plays, concerts, speakers, movies, and club meetings. Any person interested in being included on this NSA project, please contact Missie Hunt in the college government.

Gries Chairman

The chairmanship of NSA on this campus is a part of the duties of the vice president of the Student Government. The government will work with the council composed of two members from each class. The chairperson is John Gries.

Class of '53 Largest Arrives for CC's 35th Year

The Athletic Association welcomes the class of '53 to Connecticut. We hope to see a lot of you at all the games and you will be interested in the games this fall, seeing the excitement in the air.

WUFGreets Coming Year With Arms Declaration

DO YOU READ YOUR MURAL?

The United World Federalists will not be unfamiliar or unfamiliar to you. Each of you is likely to find their games in the fall of '53, provided they come to the games you are interested in the game.

Unusually you have come to college this year wanting to take part in the excitement of the world. Here is your chance to tell your friends and classmates and take an active part in forming the plans that will be discussed at the Arms Declaration.

All freshmen interested in joining the United World Federalists are invited to utilize the service in registering. All freshmen interested in joining the United World Federalists are invited to visit the campus office. The freshmen will begin the work on the next day. These freshmen are interested in the UWF.

WUF is also a good chance to spend an interesting weekend with your dates before the business of the semester starts to interfere.
Religious Council Plans Active Year For All Faiths

Religion today has been brought out of the "moth balls" stream lined, and otherwise given a new lease on life. The Religious Fellowship believes, however, that college religion can flourish only on mental and social growth but also with religious development. Our fellowship seeks to perpetuate in campus life the religious development in your own choise.

It is impossible to impart to you our entire program for the coming year in this article, but a brief summary of our plans will enable you to understand what we hope to accomplish. This fall is the 53rd year of the Class of 1953 to the churches (in English), 

The Freshmen Have Written a Pome

After much deliberation NEWS is herewith proud to present a sample of the original talent of the class of '53. As part of your scavenger hunt last Wednesday evening each group with the most bime time imierec, the judges' decision was a hard one, but here is the prize-winning pome, written by the members of Group 17, the Whiff Songsters.

Press Board Sends News Back Home

Press Board reporters, working in cooperation with the publicity office, relay to hometown and other newspapers news of the campus. Besides gaining reporting experience student journalists may become paid correspondents for various news service organizations.

IRL Endeavors To Stimulate Thought Of World Problems

The International Relations Club, as its name implies, is primarily concerned with the study of international relations. Its purpose is to disseminate campus interest in world affairs and to provide its members with a forum for informal discussion involving important world problems.

Last year the International Relations Club held an International Weekend which focused attention on the positive aspects of the United Nations. Foreign students from neighboring colleges represented their countries at the weekend, and prominent United Nations members addressed the students. As part of the Westport experience, the students were invited to trips to New York and possibly Washington.

One of the more important projects that this club will undertake during this fall is the two day Labor Management Conference. A convention speech will give a lecture dealing with some phase of labor management on one of the days; on the other, the club members will present a Round Table discussion of the government's role in setting national - wide emergency legislation.

The student clubs (formerly the national lab) is members' opportun ity to participate in national conferences and publish their work in other interested newspapers. As part of the club will take its mem bership as possibly a respectable college audience.
