"KINGDOM COMING."

IS FALLEN!

SONG AND CHORUS.

WORDS AND MUSIC BY

HENRY C. WORK.

CHICAGO:

PUBLISHED BY ROOT & CADY, 95 CLARK STREET.

Entered, according to Act of Congress, A. D. 1863, by Root & Cady, in the Clerk's Office of the District Court for the Northern District of Illinois.

ROOT & CADY,

CABINET ORGANS.

CONGRATULATE you on the introduction of a new musical instrument, long wanted, and sure to find its way into every household of taste and refinement.

A VERY efficient church organ, brought within a small compass, not easy to get out of order, and sold at a low price.

BEST of their class of which we have any knowledge. MORE THAN TWO HUNDRED EMINENT ORGANISTS.

EVERY respect far superior to everything of the kind I have seen, whether in Europe or America.

EVER have seen anything of the kind which interested me so much.

CREDS in my estimation every other instrument of this general class.

THE favorable testimony of nearly every organist or pianist of note in this country, together with that of certain distinguished foreign authorities, has forestalled our appreciative comments upon the excellence and value of these carefully made instruments. NEW YORK WORLD.

ONCE hearing them will satisfy the most skeptical that they are just what the church has been waiting for.

REALLY very effective and beautiful instruments.

GRAND accompaniment when the congregation sing.

S compared with Melodeons, Harmoniums, &c., the Cabinet Organ is certainly superior in quality and volume of tone, while its power of expression can hardly be too highly praised.

EXT to a church organ, and that a good sized one, the best instrument with which we are acquainted to accompany church song.

SURPASSES everything in this line I have seen, whether French or American.

Made only by MASON & HAMLIN, Boston.

In plain or elegant Cases, with one to twelve Stops.
