Dr. Moore Reports Plans and Dates Of Summer Session

Activities Scheduled Are Lecture Series, Sports and Concerts

The dates for the Connecticut college summer session will be June 21 to September 13, according to an announcement made recently by Dr. John F. Moore, director of the summer session for 1944. The first term will last from June 21 to August 1, and the second term will be from August 2 to September 13.

The tuition fee for the full summer session of 12 points will be $120 for Connecticut college graduates, $125 for non-graduates, and $25 for non-graduates who live in the Middlesex County area. Day students may take one three-point course for $75. All special lab or field courses will be handled in the same manner.

The courses are divided into two parts: the first covers the first two weeks, and the second covers the next two weeks.

For authorities To Discuss Post-War Employment

Planning for Post-War Employment will be the subject of the Connecticut college spring convocation, to be held Tuesday, Febru- ary 22, at 11:00 a.m., in Palmer auditorium. Four lectures, covering views of the Government, the labor-management relations, and the individual, will be given.

The Student Council, the Educational Foundation, and the new招生 committee will meet soon.

Connecticut Graduates' 11th In First Mid-year Commencement

Members of Three Different Classes Awarded Degrees

Marriage, Study, and Jobs Comprise Plans For C. C. Graduates

On Monday, February 14, at 1 o'clock, the first mid-year commencement exercises in the history of Connecticut college were conducted in the Palmer auditorium.

The faculty and the candidates for the degrees of bachelor of arts and bachelor of science ended the practices with a procession. "Marching Matron" was performed by Franz Lachner. After the national anthem was sung, the Reverend Paul R. Leavitt gave the Invocation, and the hymn, Psalm 93, was sung.

Miss Burdick Presents Address

An address on the subject of "Whom Knowledge Pursues" was given by Professor Al- vernia Burdick, Dean of Students. Professor Burdick, who introduced Miss Burdick, followed her with the announcement that the candidates for the degree and their parents.

The graduation exercises continued with the conferment of the degrees on the following gradu- ates: Jane O. Day, of New Haven, who was an art major, and whose plans for the future are indefinite; Sally B. Ford of Springfield, Mass., another art major, who is to be married to C. G. E. Giese of Wellesley Hills, Mass., a chemistry major who will continue studying chemistry at Con- nectedicul college, although not de- termined; Dean S. E. Geraghty of Minnetonka, Minn., a chemistry major, and who has no definite plans for the future; and Jean E. Martin of Milton, Mass., a home economics major who has not yet been decided; Jac- queline F. Pinney of Longmead- old, Mass., a chemistry major.

Synthesis Is Aim of College Work Says Dean Burdick

In her address at the Connect- icut college first midyear exercises, Miss Burdick spoke of the need for a new direction in the curriculum.

"It is small wonder... that in the vast sea of knowledge which is the modern university, men often feel that they are making little progress when they are faced with the problem of choosing a major field of study."

"The answer is not too late to be considered. It depends on the individual, his desires, his abilities, and the goals he sets for himself."

"It is the responsibility of the college to provide a wide range of courses and programs that will enable students to develop their own abilities and to make the best choice for their future careers."

"It is the responsibility of the college to provide a wide range of courses and programs that will enable students to develop their own abilities and to make the best choice for their future careers."
FREE SPEECH

The Editors of the "News" do not hold themselves responsible for the opinions expressed in this column. In the interest of clearness, this column is an organ for the expression of each opinion. The editor must know the names of contributors.

Dear Editor,
This year, more than ever— if that is possible, the Sykes Fund drive is worthy of especial notice. Not only is the proceeds of that of obtaining funds to help in the construction of an alumni building, a fine but also the money from which, at least in something in which we can invest our money which more worthwhile than a way may be.

If two birds were ever hit with one stone, then the 1944 Sykes Fund drive has hit the jackpot. Let's back this double attack.

Dear Editor,
With the coming of elections it is necessary for each student expectation to carefully consider the qualifications of the girl she has chosen as a candidate.

Of equal importance, and especially for the freshmen, is the signing of the petitions. Often girls sign the first petition which is presented to them rather than waiting until they find the one for a girl they know to be well qualified. Occasionally this is excused with a shrug of the shoulder, but the girl shouldn't really know any of them. "To correct this situation, the candidates appear in public and speak on some phase of the office for which they are running." Let's exercise our rights to participate in student government by doing our best to choose and elect the best candidates for each office.

ights nor the descriptions connected with that beau-
Queen.
ready to work for her high platform so that she will not be tremble when she is unveiled
in the presence of the college.

Where the candles are unlighted, all eyes are focused upon her. The attention of every mem-
ber of the sophomore class (and that of many others) is focused upon these eyes.

Sometimes before the worshippers come perilously close to the garments and hair of the people kneeling. This is a terrible thing to contemplate, but just suppose that the costume of one of the worshippers has caught fire?

Quickly now. Quickly! You are given one minute to think of the exact place in the auditorium where you can put your hands on a fire extinguisher.

Your half minute is gone. Did you rise to the occasion? Could you have taken the step which would have saved Connecticut College from a traged-
y such as the Coconut Grove holocaust was? Or would your inaction have rendered you impa-
table, have made you participant in a panic such as the Coconut Grove holocaust was? Or would your ignorance have made you participant in a panic such as the Coconut Grove holocaust was? Or would your ignorance have made you participant in a panic such as the Coconut Grove holocaust was?

Sometimes the candles of the Worshippers are not lighted. Perhaps the Melancholists are in the mood to be amusing, but it is not so much because it succeeded to convert discriminatory employers to believe that not only manpower shortage was too acute to warrant the es-

The Capitol theater will present the Metro-Goldwyn-Mayer hit Cry Havoc, starring Jane Russell and Robert Mitchum, beginning on Tuesday, February 22. The popular characters in this film are, strangely enough, all women. The part of Margaret Sullivan is played by Ann Southern, Joan Blandish, and Martha Hunt are the stars. They portray the struggles in modern America, to demonstrate that in the different walks of life, who are caught together in the horror and hardship of the Japanese invasion are Batana and the Philippines act or Pearl Harbor. Their efforts to work together to aid the Ameri-

CONNECTICUT-UPS

Dear Dean Pearl, How much do you know about this film other in the film plot or the acting of the players. It is fairly amusing, however, and entertaining in spots. If one is really interested in a moment of light relaxation, this movie will be worthwhile.

"Gold Diggers" were a feature attraction at the Majestic theater from Valentine's Day, February 16, through Satur-

day, February 19. This film has been photographed entirely in Technicolor and was released through Universal studios. Maria Montez and Jon Hall are the stars of this modernized version of the famous Arabi-

All Baba and the Forty Thieves

September theater will present the film version of the best-selling novel, Gullivers's Travels, on Wednesday, February 15, un-

All Baba and the Forty Thieves

**Gulladiane Diary**

The Victory theater will pre-

sent the film version of the best-

selling novel, Gullivers's Travels, on Wednesday, February 15, un-

to Sunday, February 20. The leading characters in the modern version are Lloyd Nolan, Preston Foster, and William Bendix, of Lifeboat fame. The story concerns the brave attacks of the Gulladiane Japanese fortifica-

tions, and the picture depicts the modernized version of the struggle which preceded our vic-

tory in this battle. The acting of every one of the characters is ex-

cellent and perfectly in tune. It is also well worth seeing if only to ap-

preciate more fully the sacrifice of our armed forces in the present war.
Alda Elton "44 was the winner of one of four prizes to be awarded during the musical competition sponsored by the Springfield Mu-

sical Association. Alda Elton, a junior majoring in piano, was the winner of the first prize. Her winning picture was an oil paint-

ing, "Landscape of a City," which is the view one sees from the fourth floor of the Museum of Fine Arts, Boston, facing the hills and beyond. Robert Fulton Levenson, a senior majoring in painting at the American Academy of Fine Arts at Connecticut College for Women, was the winner of a twenty-five dollar check, which was an-\n
owed by the Board of Trustees.

the knowledge gained in the press test despite these temporary hardships which press upon students.

Miss Burdick continued with an analysis of what contemporary liberal education trends are, and what the student should expect from a liberal education. "Analysis is the first step in all knowledge which goes beyond mere information," she stated. She pointed out that the synthesis of knowledge is what brings understanding and wisdom to students.

"Synthesis is not a thing of sudden making. I think it begins for any person whenever that person reaches out beyond the satisfaction of self, even that intellectual satisfaction of analysis nor synthesis will result. No one can ensure that formal education must make the synthesis. No one can create that formal education which individual receives will be wise, but with that education one can by oneself learn to pursue wisdom. We may merely be pur- stranded and to explain the form and nature of the government of a college.

“Coke” is Coca-Cola. It's palm for popular because it is found everywhere. That's why you hear Coca-Cola called "Coke."
Except for a sprained knee here and there, a few bumps and bruises, we appear to have won our boat with the skin off the past weekend. Many brave souls went North for deeper snows and higher hills, and were rewarded by the skiing weather and a good game. It appeared that we might have come off a bit on this, but the rain once more thwarted the entomologists and they will have to wait for old man winter to return.

The snow that we did have over vacation (such as it was) gave many of us stiff joints and tired muscles. If you weren't able to go to New England ski resort, or just plain sledding, no doubt you were able to shovel the walkway near your home. Good Exercise, n'est-ce pas?

New Sports Managers

Elections have been completed for the managers of the various sports here on the College campus. The following girls are now representatives on A.A. Council for the following sports: military drill, Anne LeLivre '46; basketball, Chips Wilson '46; keep fit, Nancy Judson '45; country dancing, Susan Wilson '46; modern dance, Nat Needham '46; badminton, Kate Needham '46; and volleyball, Dido Grimes '46. These are the people to question about competitions of any sort. How about it?

Badminton

Not many people consider that doubles in badminton is a dangerous sport. However, I may here suggest that when playing doubles, one must be the perfect cooperation that is necessary. Decide ahead of time who will play up at the net, and who will play back. It's safer! It was due to over anxiousity to hit the "birdie" that you truly suffered a black eye and swollen nose during exam period. It netted me a delicious dinner. So watch out for "Nippy Air" who walks about these chilly days reeling noose and snapping tender lips.

A tube of Roger & Gallet ointment Lip Pomade is your protection Smooth your irritable face over your lips and you can defy the harshest weather. Chapped lips are not only painful—they're unattractive. So drop in at any drug store and say "Roger & Gallet original Lip Pomade in the handy pocket tube."

Trustees Meeting
To Be Preceded by Luncheon in Dorms

On Wednesday and Thursday the Connecticut College Trustees are holding their regular quarterly meeting on campus, and in order to provide a more informal luncheon at Miss Schaffter's home on Thursday, some of them will have lunch at the various dormitories so that students may meet them. In her chapel talk, Miss Schaffter urged the students to take advantage of this opportunity to meet the trustees since "they are doing such a remarkably fine job."

Miss Mary Bulkley and Mr. F. Valentine Chappell, the father of an alumna of the class of '41 and the son of one of the first trustees, are to have lunch at Knowlton House. Miss Katharine Ludington, former President of the League of Women Voters for the state, Mr. Earle W. Stamm, President of the National Bank of Commerce in New London, and Mr. Wilbur L. Cross, former governor of Connecticut and author of "Connecticut Yankee" will be guests at Windham house. Grace Smith house will have Judge Christopher L. Avery, and Agnes B. Leahy, an alumna and an executive of the New York branch of the Girl Scout organization as its luncheon guests. Mr. Frederic C. Walscott, former senator and former Director of Public Welfare for Connecticut, and Mrs. Dorothy D. McCollister will be guests at Freeman house. Jane Addams house will be host to Miss Louise C. Howe, one of the original trustees, and to Mrs. Mary Poulter Morrison, President of the local League of Women Voters who worked at Hall House with Jane Addams. Mary Harkness will entertain Mr. William H. Putnam, Chairman of the Board of Trustees and a member of the Board of Hartford Hospital and Miss Anna Lord True, who is working in an airplane factory in Bridgeport and who attended the 1918 Peace Conference.

The former Mary Ann Swanger '44 is now Mrs. William Burns, the bride of Lt. (j.g.) William Burns of the Naval Air Corps. June McDermott '44 and Shirley Wood '44 were bridesmaids from here. Mrs. Burns left before exams but plans to return to college.

N. R. Mrs. Davis left before her last exam but plans to return to college to graduate where she left off.

Two lost sheep have returned to the fold. Louise LeFever Not ton '44 who got married last summer has returned to college for the second semester of this year and Louise Radford DeNegre, an ex- student who left school shortly after first semester last year to be married, is living in New London and has returned to school to take the second semester of her senior year with the class of 1944.

Not so fortunate is Miss Noyes who dropped a special pearl in her Vicky Lit class. She was discussing Beethoven and his ideas that architecture should fit its purpose and she went on to mention the fact that the Connecticut college architecture is one of a monastery except for one exception, its fountains. That makes the college architecture not good in terms of Beethoven, or something. Another pearl she dropped was "It looks like a funny, for obvious reasons."

Numerous Jobs Are Currently Open to College Graduates

Inquiring Seniors to Find New Interviews Are Open Every Day

Miss Alice Ramsay has asked that seniors keep in close touch with the Personnel Bureau during the next few weeks. Employers are now screening on short notice, and full particulars on a variety of opportunities are on file.

The Bell Telephone Laboratories will have a number of openings in both their New York City and New Jersey locations for technical assistants.

The Calvert Distilling Company has fifteen plants located in Kentucky, Indiana, Maryland, and Ohio, all engaged in the production of industrial alcohol for the war effort. A graduate in the class of 1940 has been employed by them for a number of years and has given the bureau full details about the excellent employment opportunities available.

Alumni Employed at I.B.M.

Lola Bremer '42 and Betty Shumik '42 have both testified to the merits of International Business Machines, and Helen Hippey '44 starts work for them on March 1. Interviews will be held Tuesday, February 28.

The Guaranty Trust Company of New York City employed six of last year's seniors, Alice Brewer, Yvonne Furus, Wilma Davis, Ruth Remsen, Alice Ives, and Augusta Wood. The employment manager hopes to find similar candidates in the class of 1941. He will be here early in March.

Mathematicians Needed

The National Advisory Committee for Aeronautics at Langley Field, in Virginia, is looking for scientific aides, artists-illustrators, mathematicians, and computer programmers.

The Nursery department of the Framingham (Massachusetts) Reformatory for Women has an apprenticeship open for anyone interested in helping to plan a daily program combining child care, parent education, and social service.

Positions in Social Agencies

It is now possible for well-qualified girls just out of college who are interested in social work to become case work aides with social agencies such as the Community Service Society in New York City. Arrangements will be made for training on a special scholarship basis.

An opportunity has been re- ceived from the Chief Signal Officer of Washington on this confidential war work is available in the bureau.
