Friends Committee Again Offers Many Job Opportunities

The Friends Committee has again offered many job opportunities.

The words of the senior entry, a parody on a blues song, were written by Bob Stryker, a junior; and the music was written by Suzy Flowers, a senior.

The words and music of the junior entry, a parody on the results of a college education, were written by Judy Whitla, a sophomore.

The words to the folk song, written by Mary Baker, tell in "blue" form the names of the contestants.

The Freshman song

The Freshman song, "Hog Dogs," was written by Anne Appleby and Carole McKee, seniors; Sue Green, junior; and Connie Demarest, sophomore. The song was written by Anne Simmons and Carole Chappin to music by Joanne Glissend and Libby Fiala.

The song leaders were each drawn to number to determine the order of the performance. If the Freshman song is performed, it will be played before the Junior Prom Week-end stage manager.

The contest for the Cady Prize will be held at 8:30 p.m. on Thursday, May 3, and will last approximately one hour. The contestant is not required to make up in any one place.

Senior Melodrama director and stage manager have been chosen by the Melodrama Committee.

Disguised participants of the pitch will be the main attraction in the contest. The pitch will be with an Ipsi- genia by Gloria Jones, Melodrama director, and Kay Nelson, a student manager. Bearing the carvings of all previous Senior Melodrama directors and stage managers, the carved inscription of Ipsi- genia, or "Iphi," is as affectionately called in the community as the term "Iphigenia." Disguising the traditional symbol of the Senior Melodrama director.

Melodrama and Iphigenia both originated in ancient Greek drama. It is said that a 50er, Niki Hart, had a playwriting brother who, in Niki's junior year, wrote the first melodrama. Niki and a gang of her friends, students, were involved in it and produced it in their Junior Prom Week-end Melodrama.

The performance will be followed by "Iphi" being sung aloud, the contestant is not required to make up in any one place.

Students intending to compete will have the opportunity to participate in the competition. If the Freshman song is performed, it will be played before the Junior Prom Week-end stage manager.

New officers of the French Club were elected at a recent meeting. Elizabeth Kolodzien '54 will serve as president, with Betty Adam '55 as secretary-treasurer, and Alice Oborn '55 as social chairman.

The joint meeting with the Yale French Club is tentatively planned for Friday, May 2.
Captured on Campus

The joint meeting of the old and new Cabinet was called to order by Barbara Paimont at 7:30 p.m. on Monday, April 14, 1952.

Discussion was held on the petition of freshmen who wanted to participate in one of the classes in the community instead of joining a team or club. Gloria Jones approved the suggestion that a special meeting be held to make a final decision. It was reported that several of the freshmen who participated in a class at the Community Chest had become interested in the idea. The petition of freshmen who wanted to participate in a class was made available to the freshmen in the past.

The inclusion of freshmen in the proposal was also discussed. The Cabinet suggested that freshmen should be allowed to take advantage of the opportunity if it is an alternate and not just to carry on the existing sports activity, which would potentially affect the other members of the team. It was pointed out that freshmen would not be interested in participating in club activities before their graduation.

The idea of having the entire petition printed in the first place was rejected. The Cabinet was aware that the petition had been circulated throughout the United States. It was agreed that the petition should be printed with the students' names on it. Later, the petition was sent to dozens of different schools in the country. The petition includes the entire college for freshmen, but not all the students are aware of Connecticut College through any other medium.

Each issue of the News is sent to the Associated Collegiate Press, which has a rating service for college papers. The newspapers are carefully graded, and are assigned a rating each spring. The result of this weekly criticism arrives last week. The News has a rating of third class. Roughly this means "fair," much in the same way that a grade C means "fair." Are you satisfied to know that your college paper, and as a result, your college, is regarded as "fair" throughout the academic community?

Being quite naturally somewhat prejudiced, we have spoken of thepaper without your help. We need not only staff members to produce the News. It represents the entire college for freshmen. But it does not represent not a small minority of the people. It is not a minority, but all the freshmen are entitled to participate in the petition.

One of the most important factors in the success of the petition is that freshmen are allowed to participate in the petition. But many other campus organizations and publications wish to participate in the petition, as well.

Another recent engagement is that of Marchus Logan, a junior in the History Department. He is a senior in the United States. Logan will be accompanied by Betsy McLane, another senior in the History Department. Logan is a better known, is a first classman at the Coast Guard during the spring. Cabinet Members

The Cabinet suggested that Pat Ahearn '52 and "Buzzie" Berger '53 (she won't tell his right name) have been made for five years now, after being introduced by the cabinet. "Buzzie" is a senior at Norwalk.

Logan will be accompanied by Betsy McLane, another senior in the History Department. Logan is a better known, is a first classman at the Coast Guard during the spring.

Because Betsy McLane needed a babysitter, the petition was delayed. Betsy then announced the candidates for the 1952-1953 Chairman of the Community Chest.

A motion to that effect was made and carried. The full petition was printed in the first place. The petition was carried.

CONWAY JUNIOR PROM

CHAIRMAN JUNIOR PROM

Performing an efficient job as co-chairman of Junior Prom are Judy Whittle and Connie Baker. Both Judy and Connie are anticipating a high-spirited dance for the evening of April 19 and— if advance reports are any indication—their expectations will be more than met. Dancing music for the occasion will be the Harrington, under the direction of Charles Leonard. The Savvets and Coda Chords are scheduled to sing, and there will be refreshment in the form of lilac sherbet punch.

The aid of Montgomery Ward and a local floral parlor has been provided in ordering decorations in keeping with the theme which traditionally remains undisclosed until prom night. Invitations have been extended to junior class advisors—Mrs. Kennedy, Mr. and Mrs. Pretor, Mr. and Mrs. Strider and to Miss Park and Dean Bickell, to assist in the receiving line. The juniors have elected to open their gown to guests of other classes who wish to attend, and a limited amount of tickets will be on sale Thursday afternoon from one to four in Fanning.

CONNIE BAKER
Willard School is Troy, New York. Connie is a native of Spring Valley, New York. Together, with Judy, Connie is carrying on as co-so- chairwoman of the junior prom. It was she who took part in compiling this year’s menu.

Connie’s plans for the summer center around her marriage to June 7 to Lawrence B. Woolson, a Williams graduate who also is in the Army. A European history major, Connie hopes eventually to obtain her degree from Radcliffe while Larry attends Harvard Business School.

Connie’s and Judy’s dances will both be on hand for this year’s festivities. To them all we extend best wishes for the future as well as for an unforgettably Junior Prom!

CC’S Tradition of Moonlight Singing Is Not Supported

Lately several people have been wondering what has become of our old tradition of Moonlight Singing. Formerly, this gathering to- gether of the four classes at the Willard School, appeared that there is a very excellent one. The stu- dents simply have not supported it. Perhaps they really say that it’s too cold, or “I can’t sing anyway,” or “I have too much work to do.” Actually, they might feel just a bit lousy about it, too, with- out realizing it.

Julie Howie, our college song leader, has tried to make the sings a success. Because people didn’t come, this was impossible. As re- sult, she decided to have one in the fall and one after compre- sing. The one in the fall was quite a success, and the one in the spring should if people will come.

It is up to the students to de- cide whether or not they want this tradition. If they do, they should prove it by coming. If they support it, the college song leader can arrange to have as many as we did formerly.

New Play Rehearsal is Under Direction of Miss Hazlewood

The shop backstage at Palmer Auditorium is particularly busy these days, with preparations for the production of Phoenix Too Frequent on Friday and Saturday, April 18 and 19, at 8 p.m. Work is also under way for the imminent Play Festival, Thor with Angels, to be presented Wednesday and Thursday. Stage rehearsals, which have been in progress under the direction of Miss Margaret Halko, have also begun, and Candy plays since 1947.

Miss Hazlewood, a graduate assistant of Connecticut College alumnus, graduated in 1932 as an English major. Three years were spent at the Yale Drama School where she received the degree of Master of Fine Arts. When she became a CC faculty member in 1948, she had the invaluable experience of summer stock, winter stock, children's theater, and little theater groups before her.

The directing of a play can be an all consuming pastime. For Wig and Candy plays, the reading committee selects a likely play, and then the committee and Miss Hazlewood work on selecting the key persons in the play, getting the director to interpret the play, planning the sets, choosing the key persons and when, and why. All these phases are under way by the date of the first rehearsal.

Elections of the Outing Club Held

Outing Club held its annual upon meeting Wednesday night in the Office of R. O. P. where officers and council members. President of Outing Club for '52-'53 will be Pat Mottram, and Miss Hazlewood served as a judge in the annual Connecticut Playwrights' Festival.

Student Art Shown At Annual Exhibition

First honorary mention for oil painting was awarded this spring to Arleen Hockman '52, at the eighth annual exhibition of art works by Connecticut College and New England, a showing given in Springfield, Mass.

The exhibition consisted of 150 items chosen from the art department of 15 colleges. The directors feel that this year's exhibition marks a new high in the quality of the work shown. Miss Hockman's painting, entitled "The Road," was chosen for this honor.

An excerpt from the article reads: "The Springfield Daily News, by Donald Robinson, is the winner of the first prize, which is $25, and in writing the essay, the Outing Club wishes to give its sincere thanks to all the seniors who have been so good to the club. Many of the girls have managed to find time to work on the club, and in doing so they have made this a success.

Matron Will Join Summer Program Lisle Fellowship

A summer in Colorado, under the auspices of the Lisle Fellowship, will be the rare privilege of Pat Mottram '53. She has recently been accepted to participate in the Lisle program, which could be described as social work and as a "laboratory in human relations." Pat will be at Camp Lookout, near Durango, by 12:30 p.m. on July 26—September 4, in a six-weeks program running from July 26—September 4. Involves work at a state school for boys, and a Spanish migrant labor camp. Other Lisle units, doing similar work, are located in California, Hartford, and in Denmark.

College Adjustment Aids in Marriages

College marries are told to steer clear of marriage counselors at Ohio College because the dates tend to be better adjusted than those who go to such a service, according to social workers. Students are romantically minded, but they are distinguished from others by sound and genuine thought. Students are social workers, and they are social workers to the world, and they are social workers to the world because they are social workers.

In order to give a somewhat large amount in this scholarship this year because of the generosity of a former student, Dr. Shirley Austin, now a physician in the department of psychiatry at the Children’s Hospital in Philadelphia, she returned to the chapter the sum she received in 1943, with the request that it be given to another student for graduate study.
