KOINÉ '86

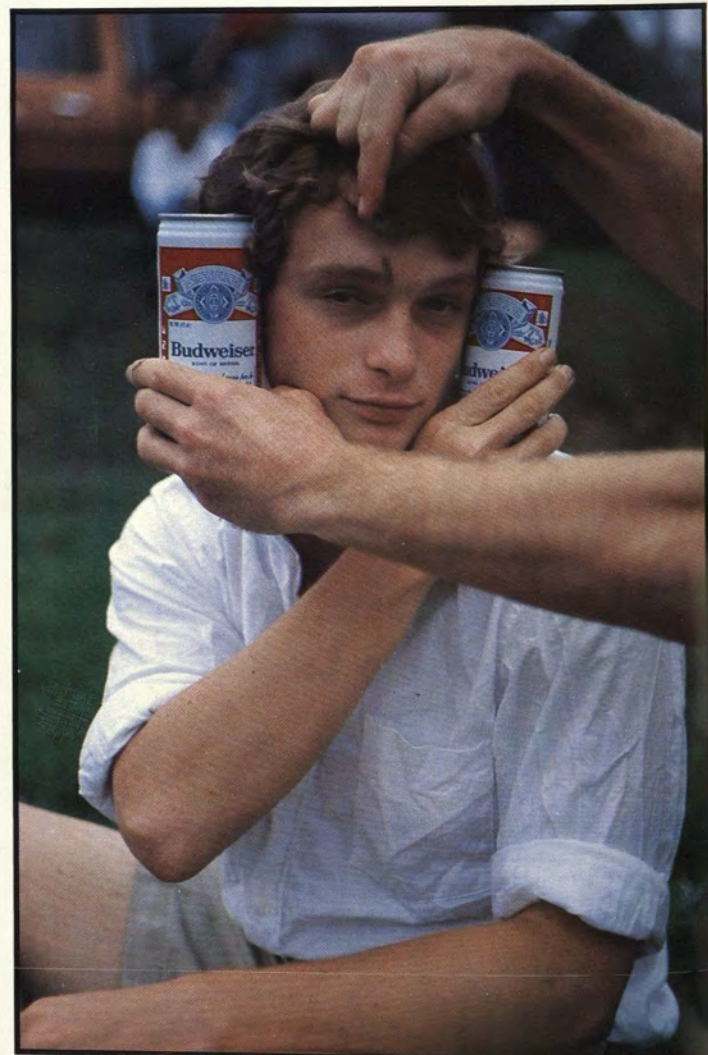

1986
CONNECTICUT
COLLEGE NEW LONDON

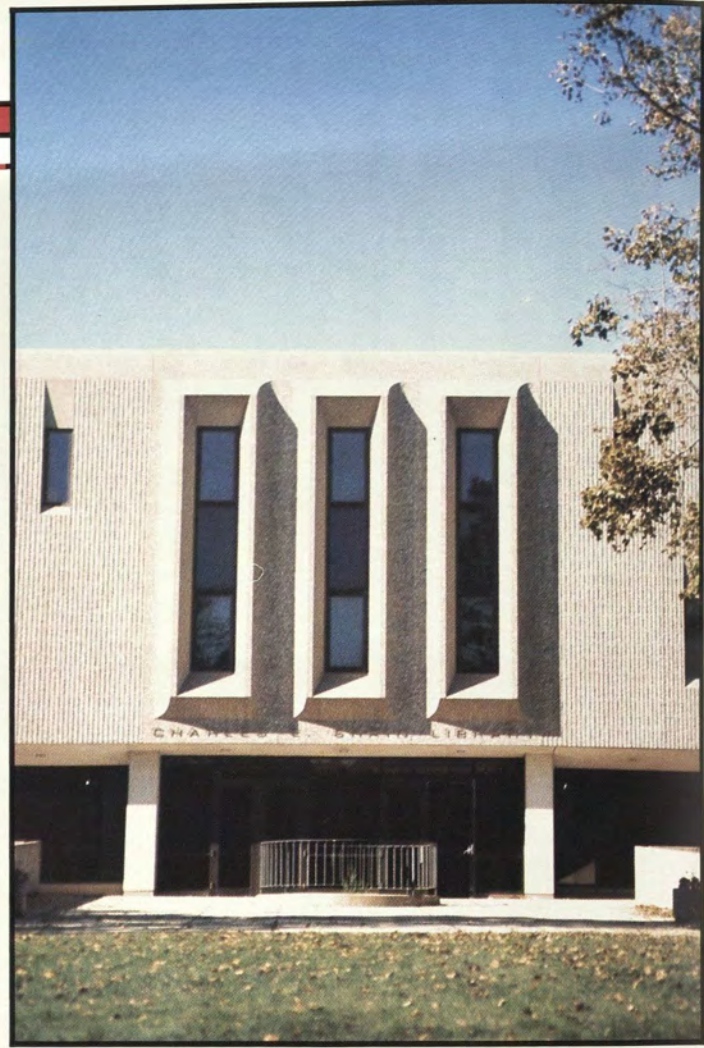

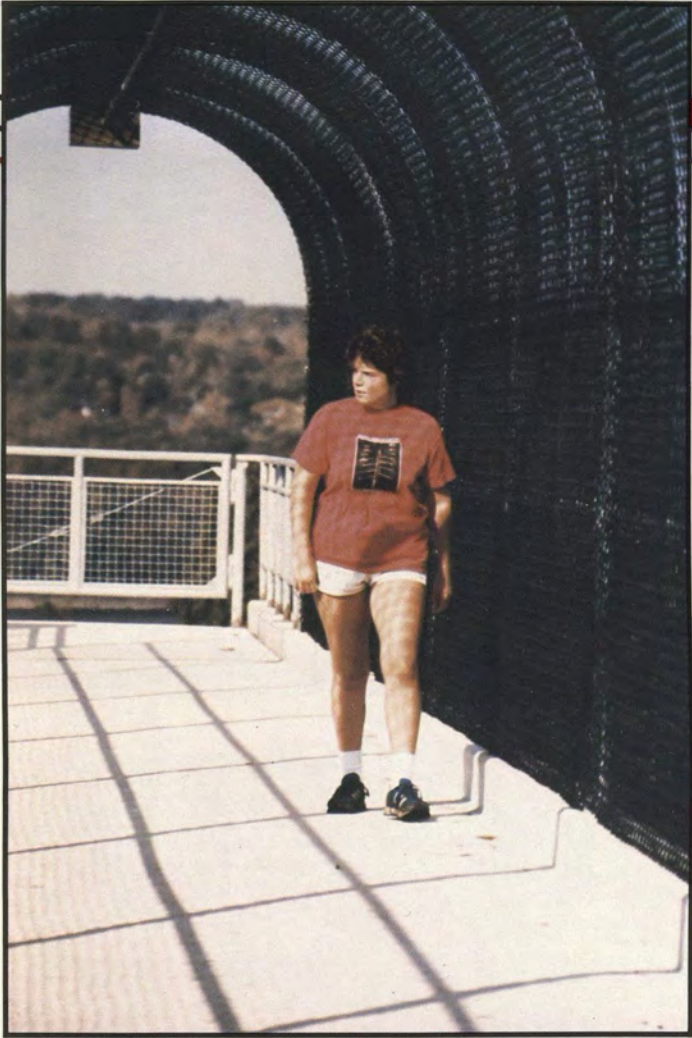

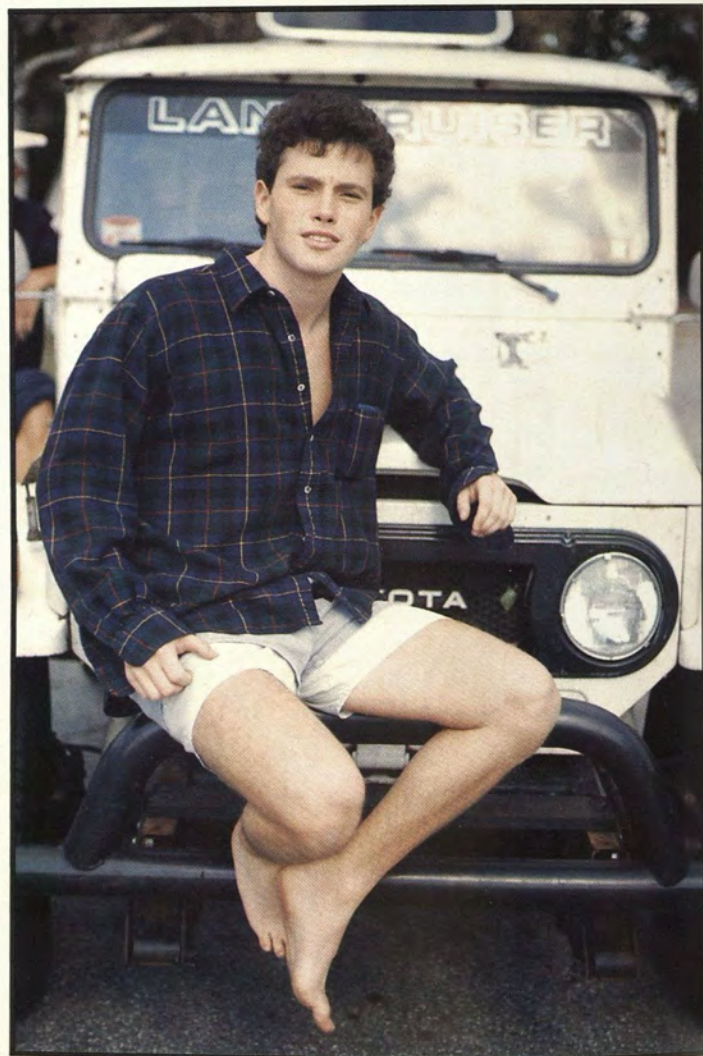

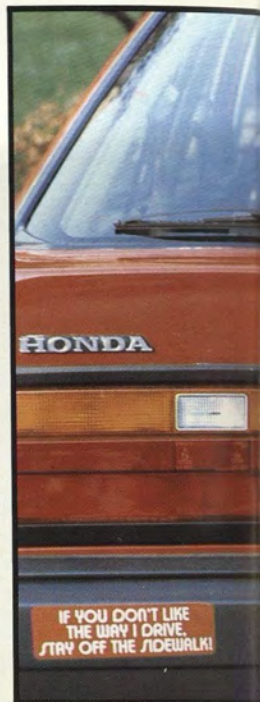

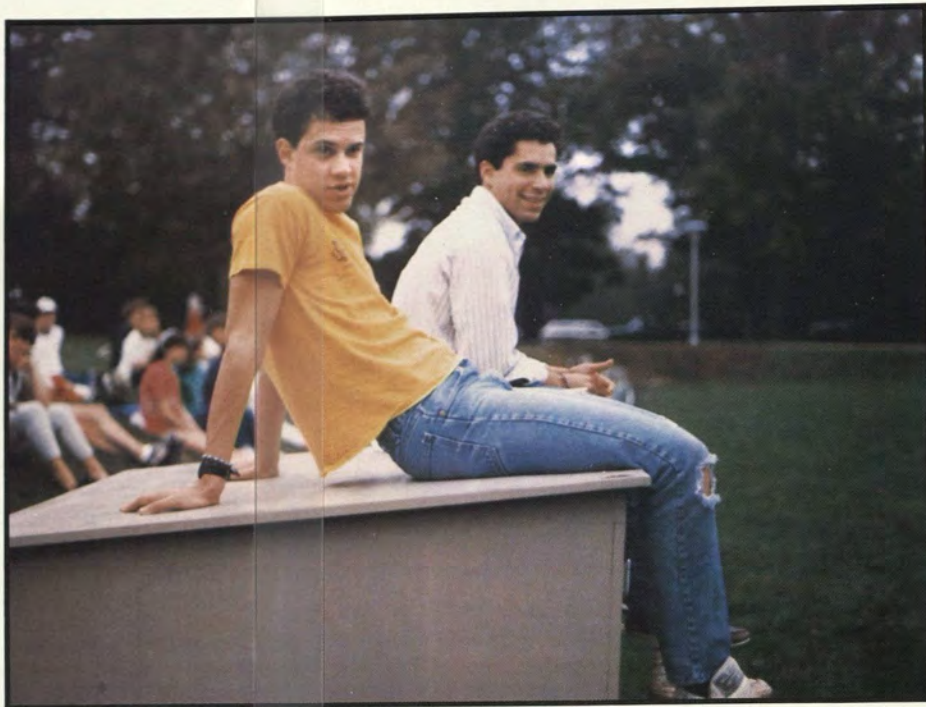

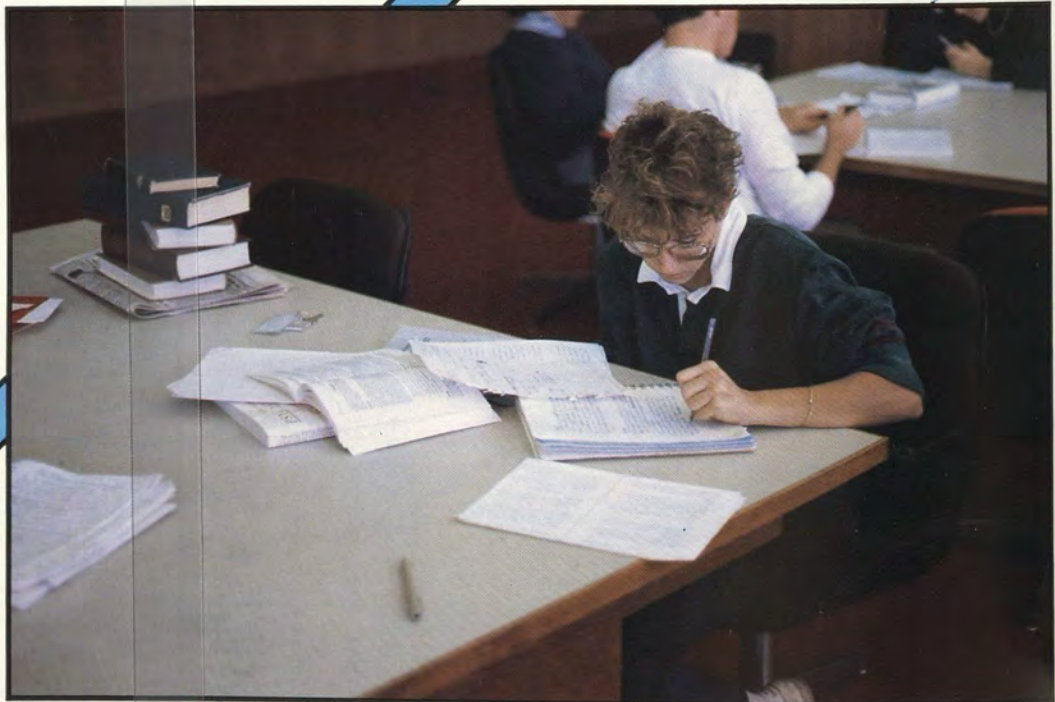

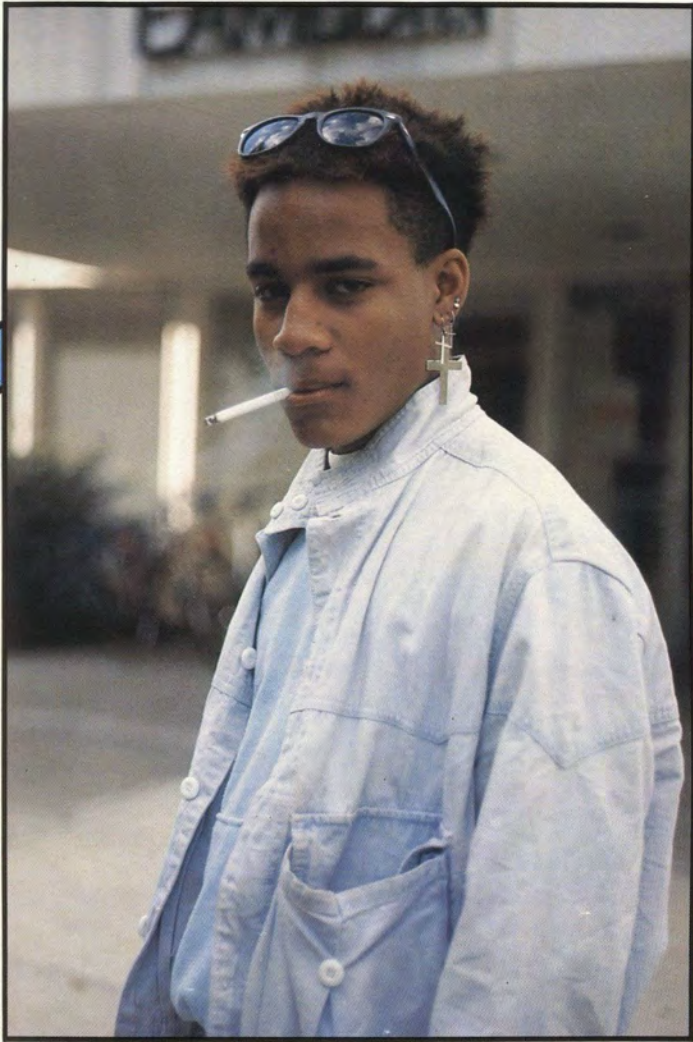

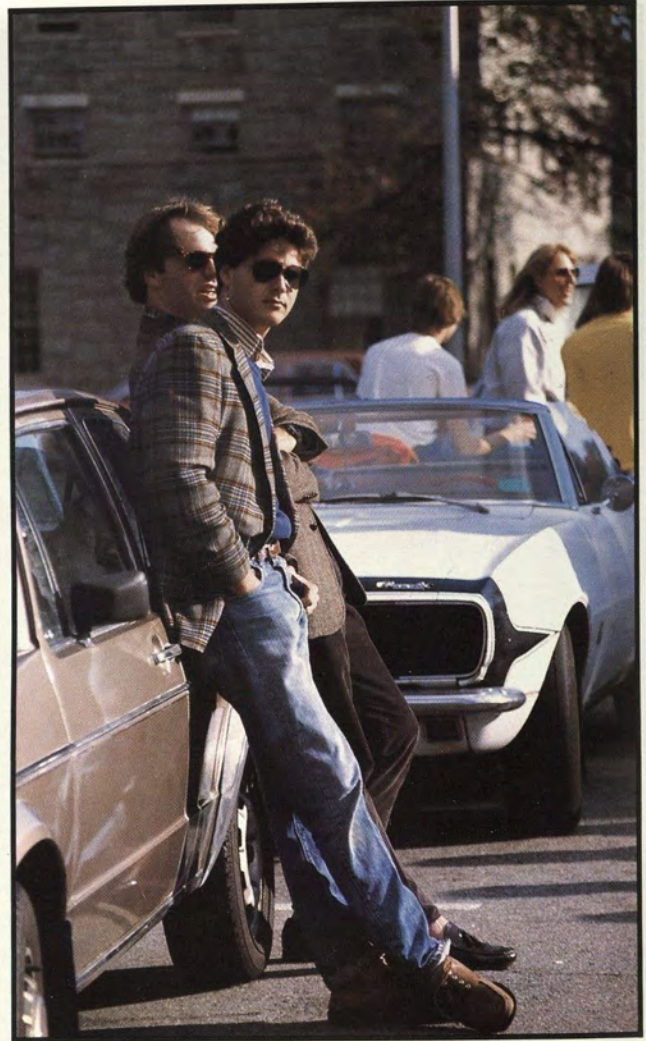

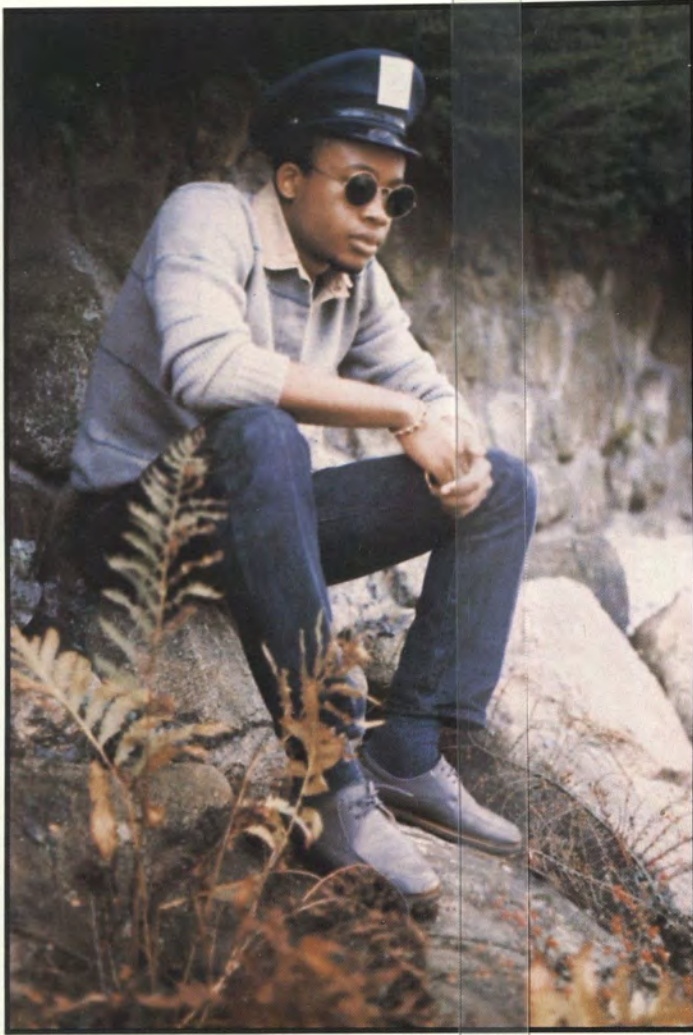

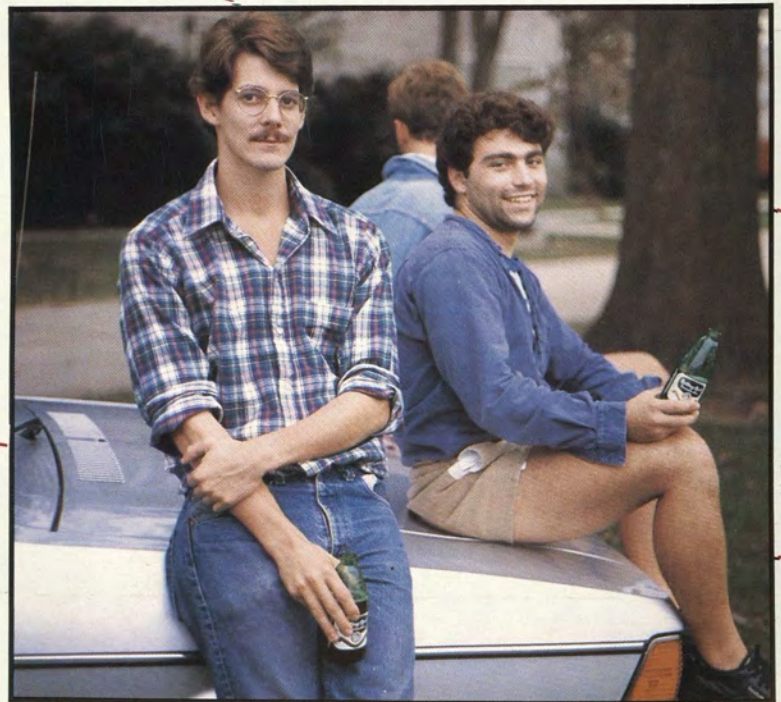

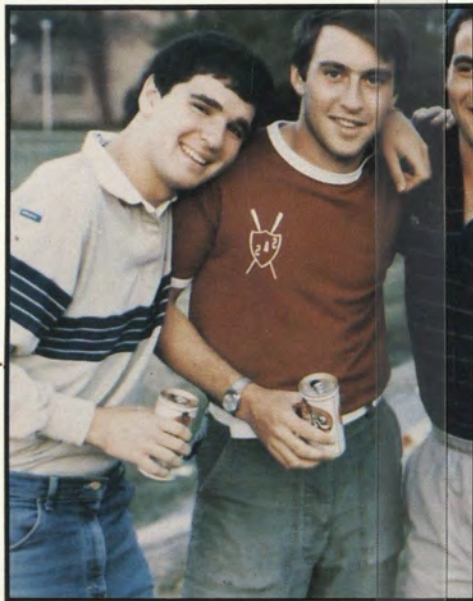

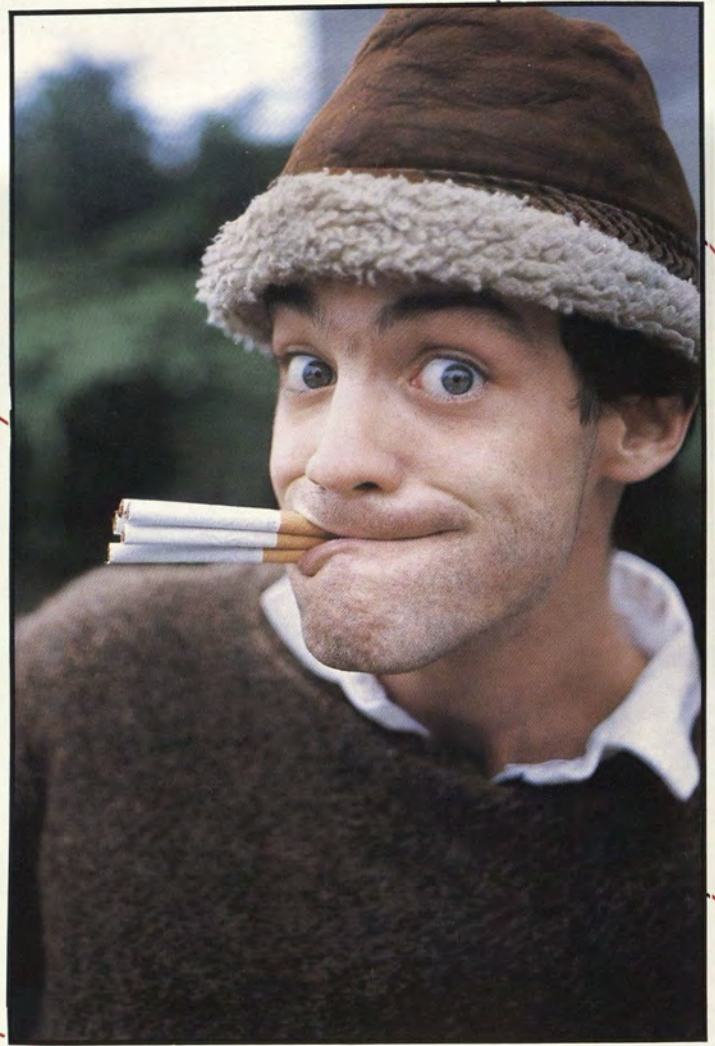

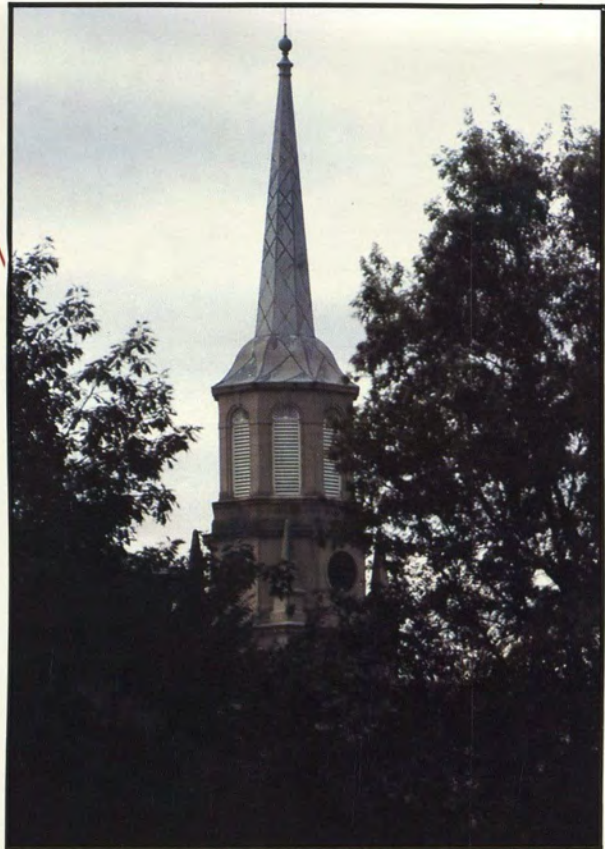

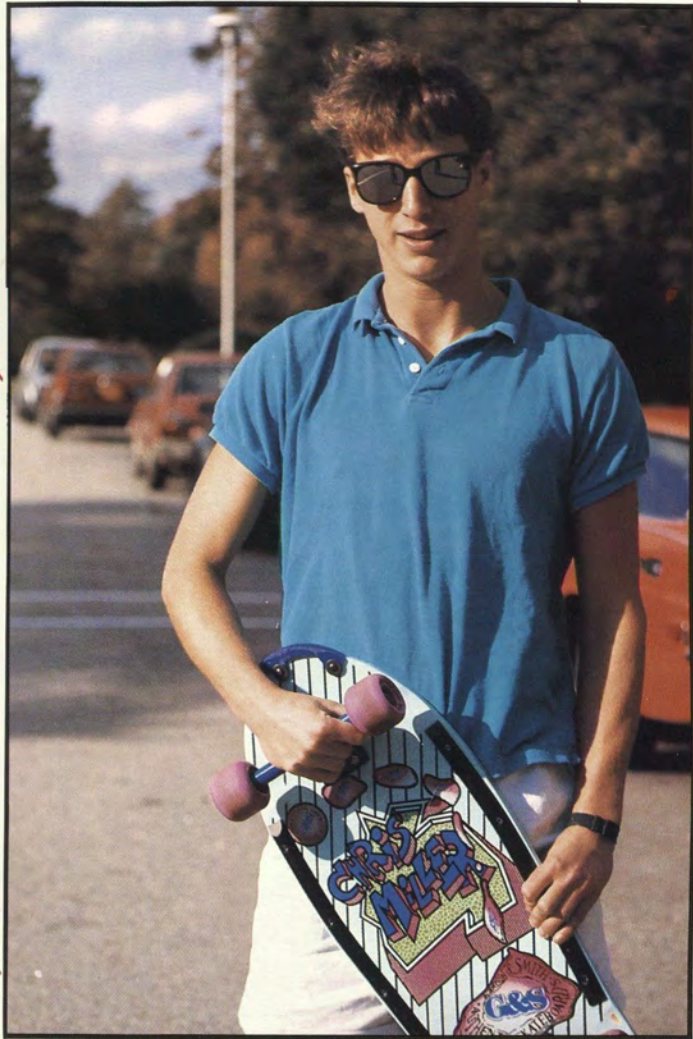

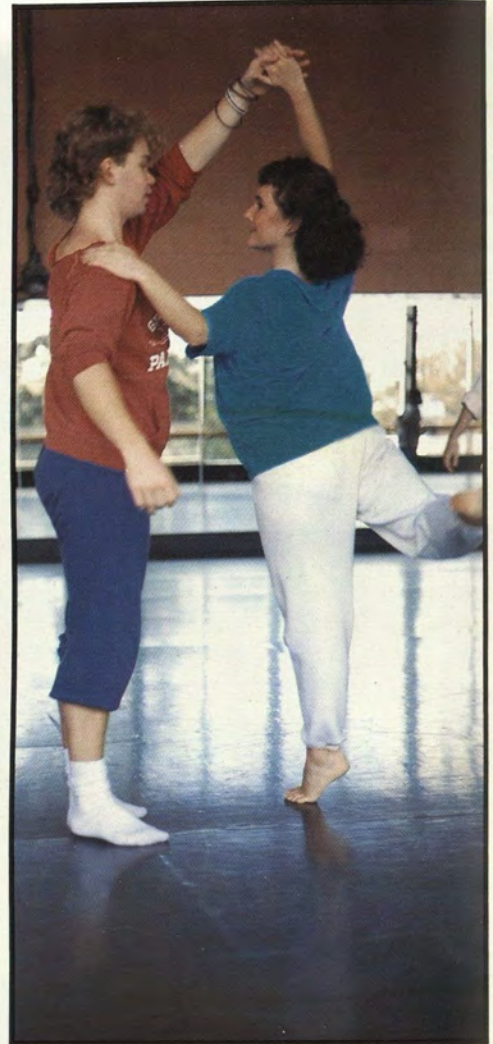

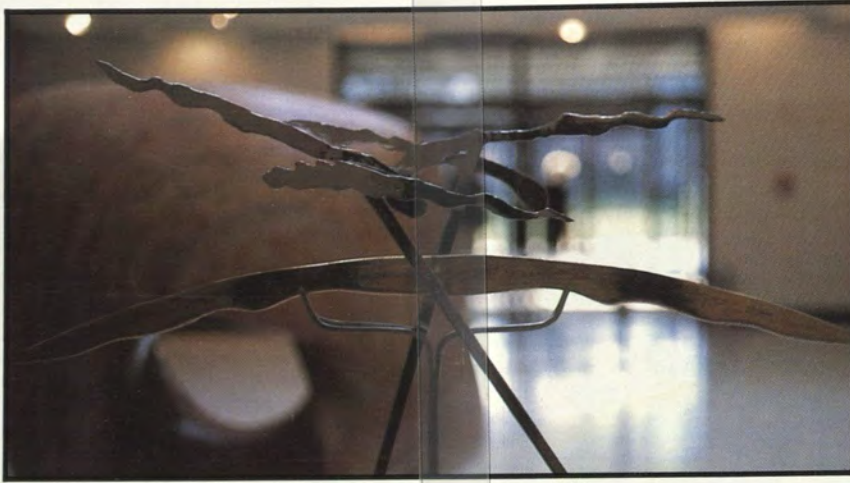

MARG

"Every day, many students visit the Office of Student Affairs for advice, solutions and conversation. There is always a compassionate ear in Crozier-Williams 211."

— Janet Christophano '86

"It is customary to call your friend by the first name, and it is the affection and warmth between individuals which creates this friendship. It is exactly this affection, warmth and concern which has, over time, transformed Dean Watson into "Marg", the Dean we call by her first name."

— Jim Crowley '86

"Marg is a very professional, dedicated and sincere individual ... She devotes a great deal of time and energy to the concerns of students and her enthusiasm and honesty are never failing."

— Beth Sheehan

"Marg is a good person and a good friend. She is a true asset to this college community."

— Matt Charde '87

In light of Dean Margaret Watson's eighteen years of contribution to Connecticut College and its student body, we have chosen to dedicate the 1986 Koiné to her. Marg Watson has not only guided the student body in the past years, she has also befriended it. All students who come into contact with Marg notice her genuine warmth and friendliness, and her willingness to be of help. Marg is one person whom students feel they can go to for advice, solutions, and friendship. Marg is not only an administrator and advisor to the student body, she is also a friend. Though the image of Marg merely as a person is what first comes to mind when she is mentioned, Marg as an administrator is an image equally commendable. Marg is devoted and professional in her contact with the student body. She has successfully combined administrating and friendship, and, in so doing, has earned the respect of both her peers and her students. Although this dedication does not recognize your many accomplishments during your time here, Marg, we hope that, through it, you feel the appreciation, love and respect we hold for you. Thanks, Marg.

To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the respect of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a little better place than we found it, whether by a healthy child, a garden patch, or a redeemed social condition — to know that one life breathed easier because you had lived. This — is to have succeeded.

A tribute to two faculty members
Who have enriched the Connecticut College
Community with their mere presence.
With many thanks and good wishes
For a healthy and happy future!

*We are grateful for
The time we were able
To spend with her.
She will be greatly
Missed by all who
Worked with her,
Learned from her, and
Loved her.
She will always be in our
Hearts.*
