Liberty of thought is the life of the soul.
- Voltaire

*If we would guide by the light of reason,
we must let our minds be bold.*

*One must be a fox to recognize the traps,
and a lion to frighten the wolves.*

It is in love, and in nothing else, that we find not only the supreme value of life, but also the supreme reality of life, and indeed, of the universe. Much has been forgotten in any friendship which has lasted for several years within the limits of a single life - many confidences, many services, many hours of happiness and sorrow. But they have not passed away without leaving their mark on the present. They contribute, though they are forgotten, to the present love, which is not forgotten.
 - John Ellis McTaggart

CLASS OF 1993

**For everything there is a season,
and a time for every matter under heaven:
a time to be born, and a time to die;
a time to plant, and a time to pluck up
what is planted;
a time to kill, and a time to heal;
a time to break down, and a time
to build up;
a time to weep, and a time to laugh;
a time to mourn, and a time to dance;
a time to cast away stones, and
a time to gather stones together;
a time to embrace, and a time to refrain
from embracing;
a time to seek, and a time to lose;
a time to keep, and a time to cast away;
a time to rend, and a time to sew;
a time to keep silence, and a time to speak...**

CONGRATULATIONS.

IT IS TIME TO
OPEN YOUR
EYES AND
SMELL THE
ROSES.

David was our first one
and he looked so good to us
we went and had another two
with a minimum of fuss

he grew to be quite sturdy
with a middling thirst for knowledge
so, to slack his thirst
we did the worst...
and sent him off to college

there he learned a lot
of what's misbegot
in his country and his culture;
and to pay respect
to politics correct
and third world agriculture!

so we took this space
with modest grace
tho' his future's hardly settled as a grad
to tell our son
he's still number one
in all that matters to his mom and dad

- JENN -

It all began in Hartford, Conn. (this journey that you've started on)
in nineteen hundred and seventy-one.
Tempered by New England climes, you early showed the certain signs
of the success that now you've won.
Your first step toward the cap & gown, were Manchester & Williamstown
each pushed you on to higher ground.
Then Baltimore; Andover, Mass., and here you are among the class
that surely must be glory bound.

So here's a cheer, and her's a toast from those of us who love you most.
"Well done" we say. Hip, hip, hooray!
May joy and riches come your way.
