WORLD NEWS

It was nearly three decades ago, after a series of race riots in Los Angeles, Newark and Detroit, that a commitment began to use race-based programs to improvethe lives of blacks. It was called **AFFIRMATIVE ACTION**. But in 1995-1996 affirmative action plans began to get weaker. The Supreme Court issued decisions making it harder to justify giving minorities and women preferences in the awarding of federal contracts; and the Clinton Adminstration was re-evaluating federal affirmative action programs.

The civil war in the former **YUGOSLAVIA** continued as te 1995-96 school year began. Four years after the wars of Yugoslavia's destruction began, there was still no peace among the Croats and the Serbs and the Muslims. More than 3 million people have lost their homes, more than 200,000 have been killed and tens of thousands have become refugees. There remains a deep reservoir of bitterness throughout the former Yugoslavia, and NATO continues its attempt to bring peace back to the Balkans.

Million Man March

YITZHAK RABIN 1922-1995

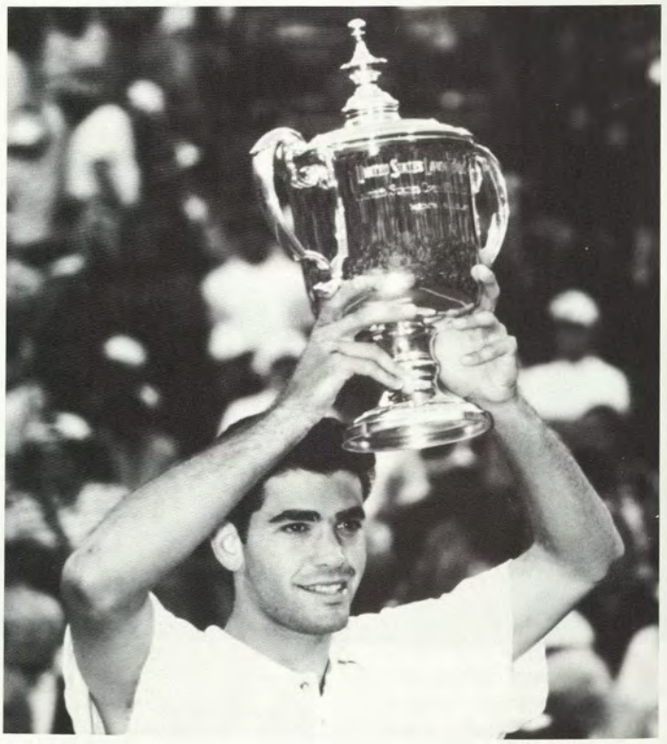
"The last song he sang was the Song of Peace. He put this song in his pocket, and the bullet went through this song."
-Shimon Peres

The Atlantic region's **hurricane season** this year was so active that it has produced the most named storms since the National Hurricane Center started assigning names in 1953. Stroms are named in alphabetical order, but names beginning with Q, U, X, Y and Z are excluded because of their scarcity. This year, officials were preparing to reach the end of the list and begin naming storms after the Greek alphabet, starting with Alpha.

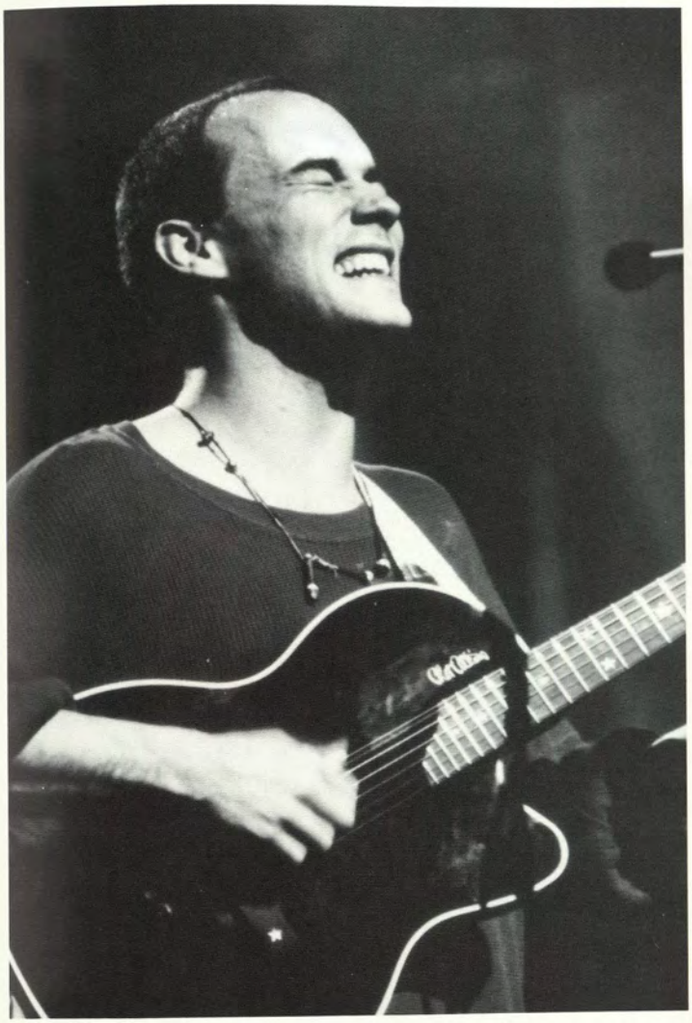
1995 World Series

Super Bowl XXX

There have been so many titles, so many magic moments in the marvelous tennis career of **Steffi Graf.** There was the Grand Slam sweep in 1988, when she stamped herself as one of the best players in the world. But none of the triumphs matched the emotional victory over Monica Seles in the U.S. Open finals. "This was the biggest win that I have ever achieved," said Graf, who owns 18 Grand Slam titles.



Pete Sampras outlasted Andre Agassi and captured a third U.S. Open title and gained the No. 1 ranking. Sampras' aggressive style rocked Agassi with 24 aces to win the prestigious title. Two months earlier Sampras won his third straight Wimbledon. Sampras got to the finals by defeating Jim Courier; Agassi advanced by downing Boris Becker.



The **Dave Matthews Band** may have come out of nowhere, but the band is here to stay. More than 150,000 copies of "Remember Two Things," the album the quintet recorded for about $12,000 and sold at shows or mail order. But the group's second album, "Under the Table and Dreaming" is a major label success. It rocket up the charts without a hit single or video hype.

Triple Grammy winner **Sheryl Crow** and her band have toured without a break since her debut in 1993. Every time they schedule a break, the album zooms up the charts. One of the reasons for the success is her vocal technique: She has a full, throaty timbre and projects every crystal-clear lyric with authority. She comes alive on stage.

The **Cranberries** are threatening U2's reign as America's favorite Irish Band. Their last two albums sold more than six million copies. The Cranberries are on to something big. Singer Dolores O'Riordan prances barefoot on stage with a warming presecnce. The latest album from the group, "No Need To Argue," has been on the charts for several months. The Cranberries may have their limitations, but they haven't yet raised to the surface.

"Well... well, I don't... I don't really that the end can be assessed as of itself as being the end because what does the end really feel like? It's like saying when you try an' extrapolate the end of the universe. You say, 'If the universe is indeed infinite, then how- what does that mean? How far is all the way?' And if it stops, what's stoppin' it and what's behind what's stoppin' it? So 'what's the end' is my question to you."

"What miracle was this? Where was I? Houses, citadel, churches, towers: all were hovering in the air...Is this Assisi? I kept asking myself, making the sign of the cros...or is it possible that, while still alive, I have entered Paradise?"

Mom and Dad:
Vi amo como no potreste immaginare.
Grazie per la vostre pazienza e fiducia.

Profs. Proctor and Spaziani-Testa
Mi avete aiutato a trovare me stessa. Siete eccezionali e vi ringrazio per l'inspiazione.

To my friends:
You are my heart and soul. The love and respect that I have for you is immeasurable. We have learned a lot from each other-you have strengthened and inspired me. I will always carry you in my heart.

To anyone who has moved me or made me think... thank you.

The noontide is upon us and our half waking has turned to fuller day, and we must part. If in the twilight of memory we should meet once more, we shall speak again together and you shall sing to me a deeper song. And if our build another tower in the sky.

-Kahlil Gibran

AMY RUTH WEST

You never really leave a place you love. You take a part of it with you, leaving part of you behind. -Anonymous
Nancy, France...mes beaux souvenirs.

To my family
In faith, you have shown me God,
In unity, you have shown me strength.
In *this world*, there is no love greater, no friendship deeper, and nothing more true.

"Nay, not without a wound in the spirit shall I leave this city. Yet I cannot tarry longer. The sea that calls all things unto her calls me, and I must embark. For to stay, though the hours burn in the night, is to freeze and cryztallize and be bound in a mould. Fain would I take with me all that is here. But how shall I? A voice cannot carry the tongue and the lips that gave it wings. Alone must it seek the other. And alone and without his nest shall the eagle fly across the sun. -K.G.

People don't notice whether it's winter or summer when they're happy. If I lived in Moscow I don't think I'd care what the weather was like.

The End

We turn from the impossible
earth, the watermarks
the letters opened
one day too late.
True god from true god
we stretch the elastic
sum of our bodies that slowly
stop grating, the sweat freezes.
A hand, you said,
Your hand.
We burn what is left
of words smashed together.
The flame edges
between us like fear and we
let go. Stop breathing.
Spiral away.

I can tell you what the purpose of life is
not. It is like music. Music is not
designed to get to the end of itself. If
this was so, one would play music as
fast as possible to get to the end.

Into a sheerness that was its own reward:
A farewell to sure footedness, a pitch

TO YOU ALONE,
WHO ARE RIDDLE-DRUNK
AND TWILIGHT HAPPY,
WHOSE SOULS ARE LURED
BY FLUTES TO ANY TREACHUROUS CHASM.
TO YOU WHO DO NOT LIKE
TO GROPE FOR A CLUE
WITH COWARDLY HANDS,
AND WHO PREFER NOT TO DEDUCE
WHERE YOU CAN INTUIT.
TO YOU ALONE,
I SHALL TELL THE RIDDLE THAT I SAW.

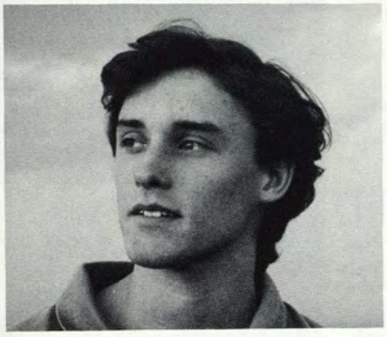
Stand a little apart, closer to silence, for the boy has gone into memory's mist and the young man stands alert and laughing in company with his friends.



Here is the steady dream I saw long ago - his friendly solitude, his tenderness in the eye towards all life.

With deep emotion, I throw my hands wide and watch the birds fly.
