The National Theatre of the Deaf

Is life like an onion? At once simple and profound, full of poetry and possibility? Peel a layer at a time and sometimes you weep?

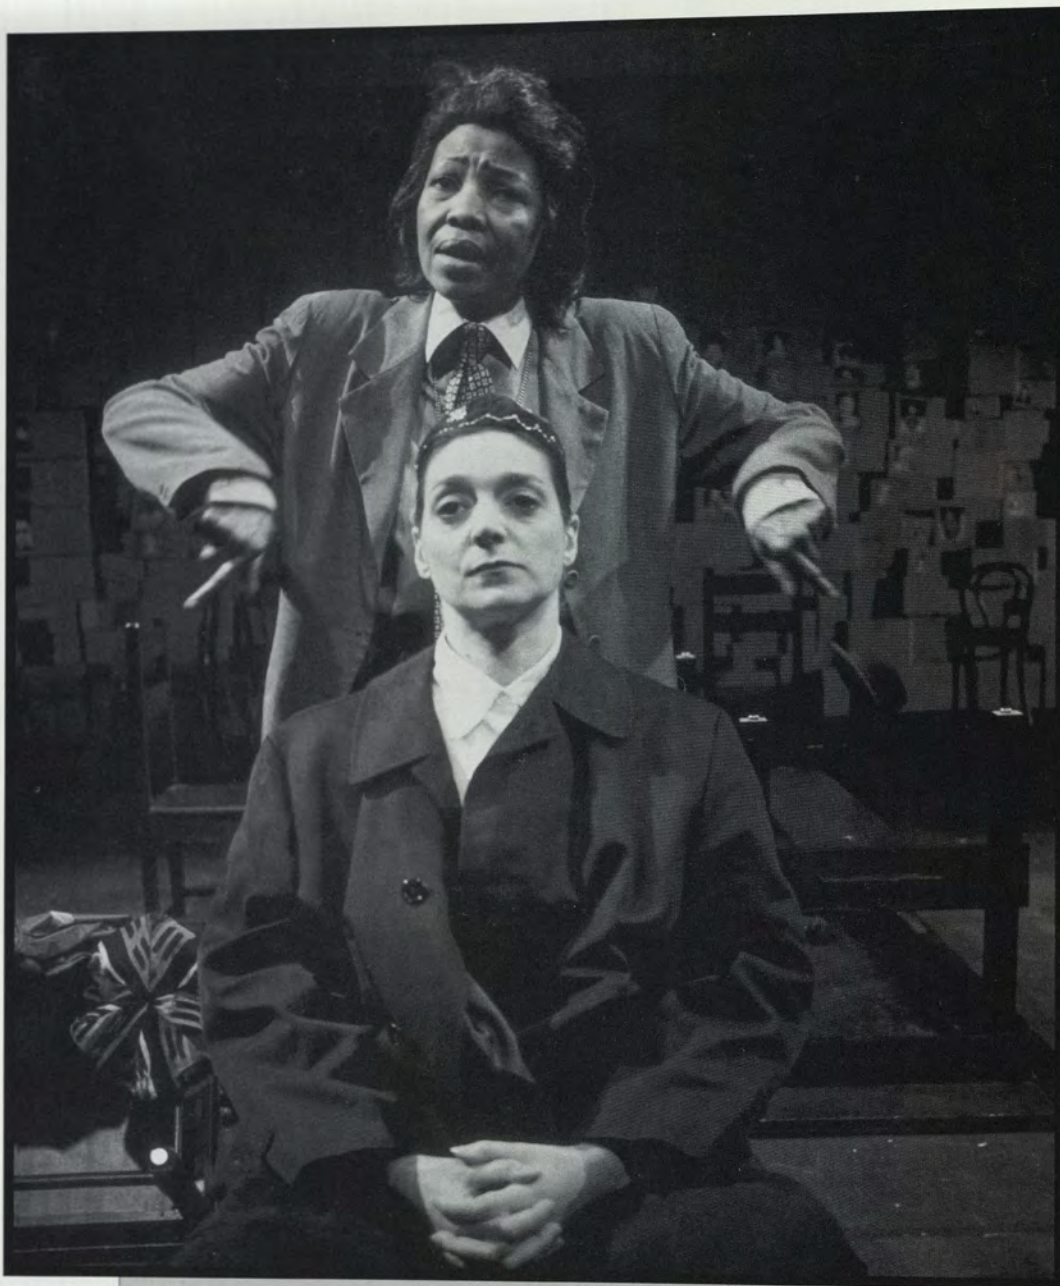

Or like Peer Gynt, do you peel layer after layer in search of the elusive core? What's left is a tossed salad of adventures plucked from life's garden of victory and defeat.

1997-98 30th Anniversary Tour

“Poetry in the Air”

The National Theatre of the Deaf couples Sign Language with spoken words to create its signature theatrical style, which critics have hailed as “poetry in the air.” National Theatre of the Deaf actors Camille L. Jeter (Left) and Michael J. Stark perform a scene from Henrik Ibsen’s *PEER GYNT*, the 30th anniversary production of this Tony-Award-winning troupe.

Trinity Repertory Company *Fires in the Mirror*

This piece recounts the 1991 incident in the Crown Heights, in which a tragic accident set off conflict between neighboring Caribbean-Americans and Hasidic Jewish-Americans.

Reflecting on your years as students at Connecticut College, the first thing you will remember will most likely not be about all the times you spent (or did not spend) studying. When you finally do think back on this aspect, you will find that the education has prepared you better than you expected.

President Claire Gaudiani '66

*Those things remembered
Those things forgotten:*

*Of these years at Conn.
who could forget how they pass
and have passed. How our campus
on the hill illustrates growth,
youth, promise, success.....and of
course a supporting staff.*

S T A F F

Dining Service

Who could forget the morning, afternoon, and evening dash to Harris, Smith, or the Snack Shop...Did you forget your card?

Of all the times spent in Cro, who could forget the second floor all-stars. The people responsible for meeting your extra-curriculum needs whether it's getting vendors, reserving the 1962 room for that TNE, or becoming involved in the community.

Everyone remembers the Friday at 5:00 deadline for papers. And everyone have experienced the Wednesday night rush to find those sources and references in the Journal of everything held by such a school. What do you do?....CTW of course.

Print Shop

When you wanted to avoid the high cost of copying at the library, those who treked to the print shop for the 5 cents copies won't forget the friendly staff.

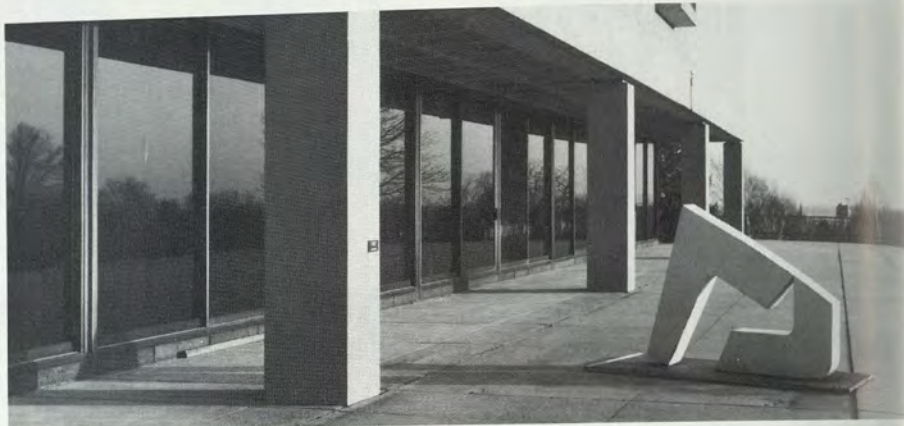

...and if you walked further, you would see Leslie Williams strutting his stuff at Unity House.

Leslie Williams

S T A F F

If there is one thing that you may have realized and can't deny, it is that our campus is beautiful. Thanks to the many staff member of Physical Plant and Grounds.

Jeffery Bewlay Physical Plant

S T A F F

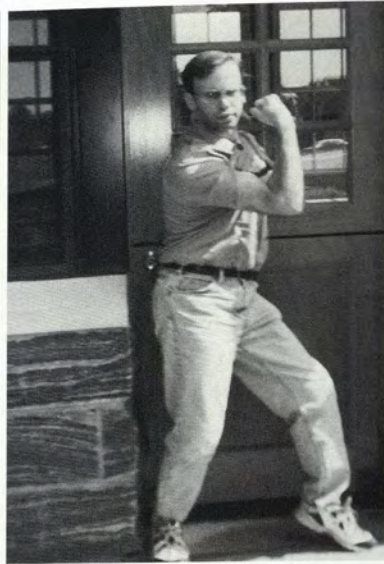

Grounds

We dash and sprint across campus. We take a stroll in the Arboretum, sunbathe on Larrabee green or play sports on Harkness. Among these activities, we take in the picturesque stone buildings and mutlicolor flora.

Chucky Daddy

Who would forget the store that satisfied all your needs. It began with the first semester books freshman year, and progressed to the magazines, cigarette rush, or the last minute orange juice for Floralia. It is only fitting that it all ends here with the graduation orders. Of course you'll never forget the amount of money your parents spent, but you won't forget the helpful staff either.

Climbing

*Climbing's easy
when everything goes your way
when you've got the wind at your back
and the sun shining down
and everyone cheering you on...
but the true measure of a climber
can only be taken
when the clouds turn black
and the cold wind turns against you
and the rattlers threaten to strike
with unrelenting anger
smile at your enemies as they gather round
look up, welcome the thunderheads
laugh out loud at the pain
as you watch those sharp rocks beckoning...
without mountains, there can be no joy
only flat plains stretching out forever
without danger, there can be no victory
only slow empty days, falling one by one
without fear, there can be no life
only a shadow of a life where it would have been*

Dear Court, Dave and John,
I get to design the page,
I guess that entitles me to
my own message. We have
thought and laughed and cried
our way through four years
together-always together.
Win, for every funny word
you've ever spoken,
Courtney, for never letting
your inner child die, and
Dave... for knowing the mean-
ing of the word Pals, I Love
you all. So much more to
say, too many miles ahead,
too few tears left.
-Evan

Puddin' Tain '98

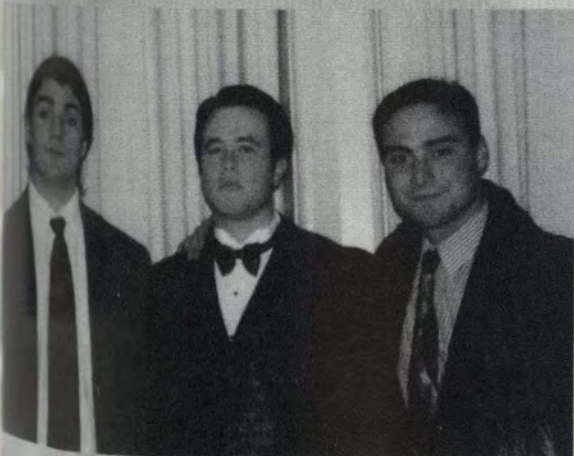

*"All I want is to feel this way
to be this close
to feel the same
all I want is to feel this way
the evening speaks I feel it say...
That it won't matter now.
Whatever happens will be
Though the air speaks of all we'll never be
It won't trouble me."*

David J. Wymore

*Not by might,
Nor by strength,
But by spirit saith the Lord of Hosts*

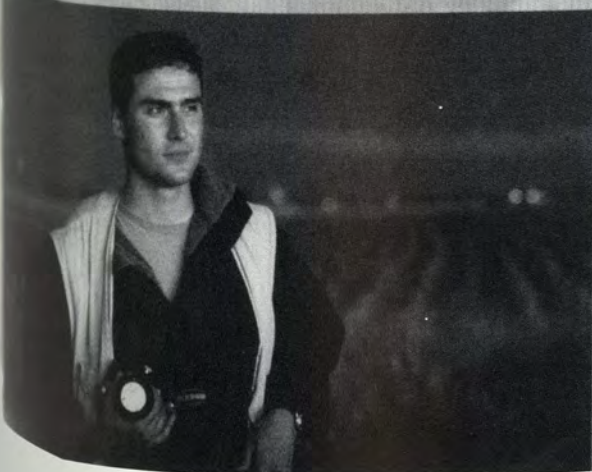

Evan A. Coppola-Pals!

*To my family, my friends,
this life,
I love you all.*

Kathryn Stilkey

A friend is someone who knows
the song in your heart...
and sings it when you forget the
words.

Thanks guys, I love you and take
care!!

The Human World

by Lin Xi

After the storm passes, it is not certain that the sky will be glorious
When the sky clears, a rainbow doesn't always appear
So I find your innocent face doesn't mean you're ignorant

Not every love affair has its beginning and end
The end of loneliness is not necessarily terrifying
But life cannot avoid the pain at its very beginning

I hope your eyes only see smiles
I hope every one of your teardrops moves others
I hope every one of your dreams will be fulfilled

If Heaven and Earth truly deserve extollment, it is because of you
If they become clamorous, it is also due to you
Heaven is great, Earth is great, the world is more misty than your
imagination

I don't have the heart to fool you anymore
Hope you can understand
Hope you will understand
Which way to go
