# Thank You

I would like to thank all the people who made this yearbook possible, without them this book would not have happened. First and foremost is our Jostens representative Bob Sasena, who has always remained positive during the difficult times. Next is Scott McEver, our advisor, who always had a minute to answer a question or work through a problem. I would also like to thank Rick Brooks, who designed this year's cover. Finally, I would like to thank Chrys Brummal, our Jostens plant representative, who puts all of our work together to make the final product.
