CONNECTICUT COLLEGE

NORMAN FAINSTEIN
President

Spring 2006

Dear Members of the Class of 2006:

Congratulations! You worked hard to reach this milestone. Enjoy the moment. Celebrate. Be proud of what you have accomplished.

During your four years at Connecticut College you learned a great deal about yourselves and the world. You also made friends who will be part of your lives for years to come. I never cease to be impressed by your spirit, your affection and respect for each other, and your refusal to give in to mediocrity. I have learned from you as we journeyed through these years together.

If you have mixed feelings about leaving this place, that is only natural. But you are well prepared to enter the "real world." I have faith that each of you will thrive in it. Wherever you go, remember that as alumni you are part of the family at Connecticut College. You may be moving out of the house, but this will always be your home. Best of luck to you.

Sincerely,

A handwritten signature in blue ink, which appears to read "Norman Fainstein". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Norman Fainstein

RECYCLEMANIA!

CC was No. 1 among participating NESCAP schools and No. 5 out of 87 colleges and universities across the country.

Amy Cabaniss, campus environmental coordinator, said "We had a strong showing of about six pounds of recyclables per person in the first six weeks of the competition," she said. "During our two-week spring break, naturally, our weekly counts fell (to less than two pounds per person). But we bounced back, doubling our efforts and came together as a campus during the final weeks (marking 11 pounds per person in Week 10). It was great that so many on campus were a part of that effort and to see the results."

In announcing the results, RecycleMania organizers said, "Congratulations to the Connecticut College Camels, who ranked high in all of the Targeted Materials areas." In those areas, Connecticut College ranked:

- No. 2 (of 17 participants) in Food Service Organics
- No. 3 (of 61 participants) in Bottles and Cans
- No. 4 (of 62 participants) in Paper
- No. 8 (of 57 participants) in Corrugated Cardboard

RecycleMania, which ran from Jan. 29 through April 8, included 87 participating schools from 33 states across the country. The main goal of the event was to increase awareness of campus recycling and waste minimization.

SHWIFFS

The Shwiffs, Connecticut College's first a cappella group, not to mention one of the nation's oldest all-female a cappella groups, was founded in 1944. Inspired by the Yale Whiffenpoofs, the nation's first a cappella group, we first called ourselves The She-Whiffenpoofs. Today, The Shwiffs are a dynamic group of twelve talented young women, freshmen to seniors, singing a variety of music from pop to folk to oldies. The Shwiffs rehearse for 8 or more hours each week and perform both on and off campus. We all share a passion for harmony, strong diaphragms and like all classy females, Franzia Blush boxed wine. We just released our brand new CD entitled "Blush" and we recently hosted a reunion to celebrate sixty years of musical excellence, performance, and camaraderie.

Ultimate Frisbee Club

Spirit of the Game. From the Official Rules of Ultimate :

Ultimate has traditionally relied upon a spirit of sportsmanship which places the responsibility for fair play on the player himself. Highly competitive play is encouraged, but never at the expense of the bond of mutual respect between players, adherence to the agreed-upon rules of the game, or the basic joy of play.

For over 30 years, Ultimate has flourished, reaching a highly competitive level, without the use of referees. In Ultimate, the honor system works. Sure, human nature rears its ugly head in Ultimate - just as in any sport, just as in life. Utopia ultimate is not. Yet, one of the many beauties of Ultimate is how, even amid the most difficult of situations, utmost graciousness is allowed to meet that challenge head on. Through this balance, ultimate players are free to demonstrate the most honorable and the most joyous sides of human nature in sport.
