In the

Valley by the Mill Near the gently flowing rill Will you Come when all is still Will you

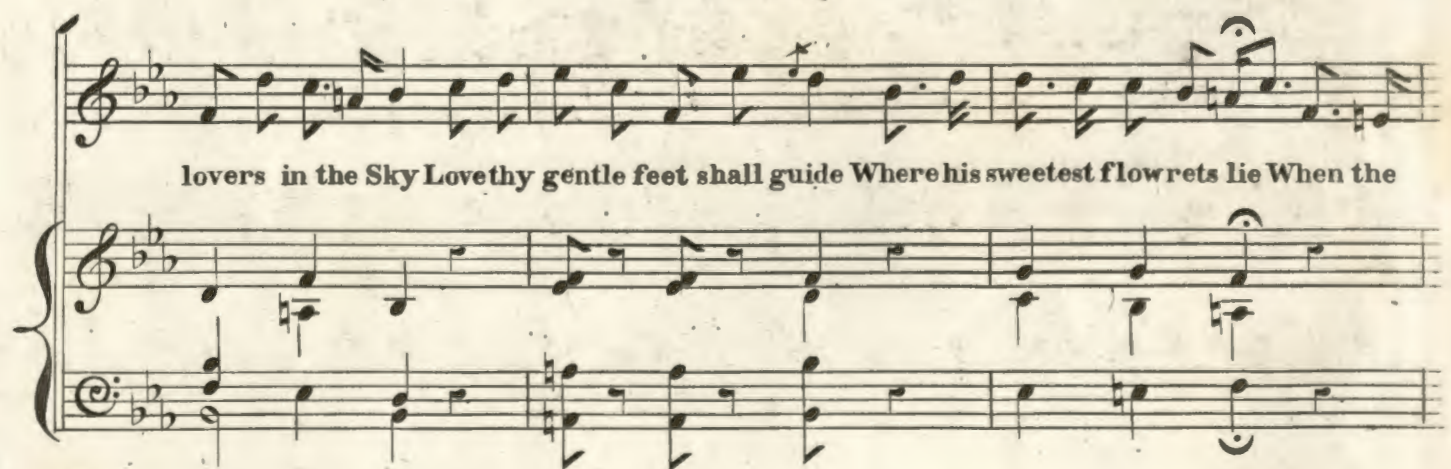

Come when all is still When the day light fades away Thither thither I will stray I have

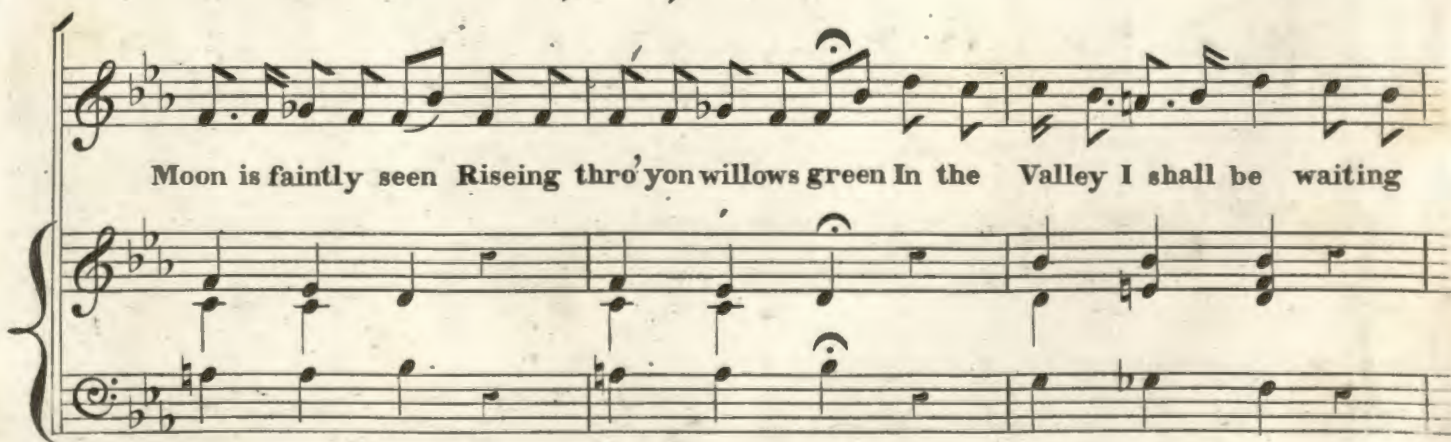

something sweet to say Will you Come will you Come I have something sweet to say Will you

Come When the Stars are side by side Like some

lovers in the Sky Lovethy gentle feet shall guide Where his sweetest flowrets lie When the

Moon is faintly seen Rising thro' yon willows green In the Valley I shall be waiting

anxiously for thee In the valley I shall be waiting anxiously for thee Thither

thither I will stray when the day light fades away I have something sweet to say Will you

Come will you Come I have something sweet to say Will you Come.

As the flower to the Bee As the.

blossom on the tree So art thou my love to me so art thou my love to me Like the

Bird that sinks to rest In his own lov'd peaceful nest and thy smiles to make me blest Let me

be let me be and thy smiles to make me blest Let me be.

Not with gay hearts love doth dwell his home the

dewy spangled dell O how sweet it is to Rove hand in hand with those we love When the

Moon is faintly seen rising thro' yon willows green In the Valley I shall be waiting

anxiously for thee In the Valley I shall be waiting anxiously for thee Thither

thither I will stray when the day light fades away I have something sweet to say Will you

Come will you Come I have something sweet to say will you Come.
