Oh! fly to her bower, and say, the chain,
Of the tyrant is e'er me now,
That I never shall mount my steed again,
With helmet upon my brow
No friend to my lattice a solace brings,
Except when your voice is heard
When you beat the bars with your snowy wings,
Then fly to her bower sweet bird.

I shall miss thy visit at dawn, sweet dove
I shall miss thy visit at eve,
But bring me a line from my lady love,
And then I shall cease to grieve!
I can bear in a dungeon to waste away youth.
I can fall by the conqueror's sword
But I cannot endure she should doubt my truth
Then fly to her bower sweet bird.

Additional Words.

2

Oh! fly to their Bowers sweet dove, and say
The light of hope is on me now,
I long to list to a Seraph's lay
With bright glory upon my brow,
I feel that this world is not my home
An Angel's sweet voice I've heard,
It comes from beyond the dark lone tomb,
Oh! fly to their bowers, Sweet Bird.

3

I will wait thy coming at dawn, sweet dove,
I will wait thy coming at eve,
But bear some news from the friends I love,
And then I will cease to grieve,
I could spring from this prison on wings of love
I could fall by death's conquering sword,
But I cannot stay from my friends above
Oh fly to their bowers Sweet Bird.
